### TO THE DRAGON

Symbol of the spirit of M. S. T. C.:  
Born of the devastating, purifying  
fire;  
Embodiment of the qualities of daunt-  
less youth:  
Undying courage,  
Unflagging enthusiasm,  
Undying loyalty,  
Building anew on the ruins of the old;

Like the dragons of old:  
Victorious in combat,  
Master over all its foes,  
Rising above binding circum-  
stance,

Emblem of triumph in the past,  
Promising even greater success for the  
future;

To you we dedicate this book.

## FOREWORD

IN this 1931 Praeceptor we have tried to present the spirit underlying the activities of the year, as well as the activities themselves. The year has been one of plans for the future, and one of new beginnings which will take root and grow into the traditions of the years to come.

Of this spirit we can give only a glimpse in these pages, but as you review the year with us, may it be revealed to you.

## Table of Contents

□ □ □

Administration  
Classes
- II. Activities
- III. Athletics
- IV. Organizations
- V. College Life

*I*N the days of ancient Egypt the dragon was the symbol of power. In common with many other ancient peoples they regarded it as symbolic of the principle of evil. This powerful spirit was to be placated at all cost, and its aid invoked against one's enemies if possible.

Since it was symbolic of power and prowess in war, it was chosen as the emblem of these mighty rulers, whose power was absolute, second to none on earth. From all the animals which they knew, they chose the dragon, an altogether powerful creature with no weakness in it.

# The College

THE NEW MAIN BUILDING AND GYMNASIUM

## Greater M. S. T. C.

THE future has never appeared so bright for Moorhead State Teachers College as it does today. As we look ahead, however, we must realize that this rosy tomorrow is possible only because of what the school has been in the past and is now. Therefore, as we discuss the future, let us not underestimate the past and present.

Four buildings—a main administration, classroom, and library building; a gymnasium and physical education classroom building; a heating plant; and a training school, on a remodeled campus, are to be built this year. This program was made possible by the prompt work of the State legislature in passing the appropriation bill during the early days of the session. Governor Olson signed the document the same day it passed the senate, January 21. It had been passed by the House of Representatives the day previous.

The bill provided for an appropriation of \$800,000 to be used for the erection of the four new buildings and remodeling the campus. Much credit is due the Honorable G. D. McCubrey, Moorhead, State Senator, and the Honorable E. J. Holm, Dilworth, member of the House, who introduced and worked for the passage of the bill in their respective houses.

As it is now planned the campus will be in the shape of a quadrangle, with the entrance at Seventh Avenue. This avenue between Eleventh and Fourteenth streets has been vacated by the city and will become a part of the campus. The main building will face Seventh Avenue and will be connected to the Physical Education building, which will face Eleventh Street, by a second-story superstructure. Across the campus and east of Weld Hall will be the Training School.

### COLLEGE HALL

For detailed plans for the new buildings we quote from the January 30th edition of the MISTIC.

"According to the plans, the main building on the new campus will be 288 feet long facing Seventh avenue and will have an average width of 64 feet. It will be three stories in height with the exception of a small sector at the east end, where the library stacks are situated. The building will be constructed of brick and will be fireproof throughout. The main hall is somewhat of an "L"

## PRAECEPTOR

THE PLAN OF THE CAMPUS

shape, since it is connected by second story superstructure to the physical education building facing Eleventh street.

"There will be three entrances to the main building. The main entrance will be at the west end of the front with a supplementary entrance near the east end leading to the library and reading rooms. The third entrance will be facing Eleventh street at the north and west.

"The ground plan of the gigantic hall is dominated by the library, reading room, and supplementary consultation rooms at the east end. This section, separated from the main portion by an intersecting hallway, is 128 feet long and 66 feet wide, providing adequate accommodations for many years to come. The reference and reading rooms at opposite sides of the hall are each 64 by 24 feet. At the east end of the hall, a large lobby entrance opens on the library proper with delivery desk and library stacks. Adjoining will be a classroom, laboratory, office and supply room. This section, 56 by 32 feet, is but one story in height, skylights over the stacks allowing for more light.

"In the center of the building on the ground floor will be four classrooms, two on each side of the hall. These are to be occupied by the Mathematics and Geography departments. Adjoining the geography classrooms is a laboratory for the same subject.

"At the extreme west end of the building is located the Student Exchange and postoffice, a room 20 by 36 feet. To the south but connected with the main building will be a wing 66 by 66 feet, housing men's and women's locker rooms.

"The second story of the main building will contain, at the east and center, eight classrooms for the English and Social Science departments with an office for each. At the west and in the 24-foot extension will be located the administration offices, a faculty rest room and the publications office.

"The journalism laboratory, 24 by 26 feet, is to include an up-to-date copy desk, a news-writing table, desks for the MiSTiC business manager and state editor, files, typing desks, and cabinets. To the west is a Praeceptor room to be equipped with everything necessary in yearbook work and adjoining it a storage room for College publication supplies.

## PRAECEPTOR

WELD HALL

"The 'wing' contains the offices of the dean of men and the dean of women, the speech classroom, and in the superstructure connecting with the physical education building is a clubroom 56 by 24 feet with a large fireplace at the end and a kitchen and a storage room across the hall. A movable partition in the clubroom will make it possible to hold two meetings without interference.

"The third floor is given over to classrooms, the education offices, and art rooms. The Education department will occupy a suite of rooms in the east end, and there will be four classrooms in the central portion. The general art rooms will be located in the west end of the third floor on the north side of the hallway. The related arts will occupy the space south of the hallway.

"Weld Hall will house the Industrial Arts, Science, and Music departments. Studios, lesson rooms, and a recital hall will be provided for the Music Department, assuring it as fine facilities as the best in College Hall."

### THE TRAINING SCHOOL

"As to the Training School," quoting again from the MiSTiC, "East of Weld Hall the Training School building will be constructed. This structure will be 256 feet long and 64 feet wide, with two stories of brick and fireproof construction. The building will be in an 'I' shape, each end being extended 16 feet north and south.

"The ground floor will be given over to the elementary grades from kindergarten to the sixth. Four large classrooms, twelve small classrooms, and several supervisors' offices are to be included in that floor. The director's office will be located in the center of the building near the main entrance.

"The second floor will be occupied by the College High School. A library 32 feet by 30 feet and a large study room 24 by 40 feet are provided for the juniors and seniors. At the east end will be a physical science room and a biological science room each 26 by 32 feet in dimensions.

"A feature of the building will be the 50 by 22-foot demonstration room to be used for teacher training, with a platform for classes and seats for observers included. At the west end of the 'I' will be a large auditorium 80 by 28 feet with a 28-foot stage at the south end."

### THE DRAGON'S LAIR

"The Physical Education building is to be located to the south of the main hall facing Eleventh street and connected with the main building by a second-story

## PRAECEPTOR

WHEELER HALL

superstructure over a driveway to the athletic field. To accommodate the 135 by 84 foot structure, the athletic field will be shifted some 15 feet to the east.

"A central entrance to the Physical Education building will open on Eleventh street. Entering the building one will see to the left the women's physical education office, rest rooms, and the nurse's office. To the right is the new athletic director's office and a classroom. Straight ahead are locker and shower rooms for men and women, one on each side of the hall, leading to the 20 by 65 foot swimming pool. In the 32-foot south extension are faculty dressing and locker rooms.

"The second floor is chiefly taken up with the gymnasiums. The main gymnasium has a playing floor 102 feet long and 80 feet wide with an overhead clearance of 24 feet, ample for even high basket shooting. Huge balconies and bleachers below along both sides of the building will seat from 1900 to 2300 persons.

"Connected with the main gym and occupying the extension is to be an auxiliary gym, 60 by 40 feet, for use by the High School department of the Training School, for physical education classes, and also as a social hall for parties. The second floor will also contain several classrooms and offices."

These new buildings, College Hall, the Gymnasium, the Training School, and the heating plant with Weld Hall and the dormitories, Wheeler and Comstock Halls, located on a beautifully landscaped campus, represent the result of much careful planning resulting from a vision held for years by many interested in Moorhead State Teachers College.

As we look ahead into the future we see visions of a larger school with better facilities, but with the same progressive spirit as before. With former students, those of tomorrow will raise their voices in singing our Alma Mater.

### PROGRESS IN 1930-31

Two national fraternities were established on the campus during this year, bringing the number of such groups to three, Alpha Eta cast of Alpha Psi Omega, dramatics fraternity, having been organized in 1927. The two new groups are Sigma Tau Delta, Mu Gamma chapter, honorary English fraternity, which was installed March 7, and Kappa Delta Pi, Gamma Gamma chapter, honorary Education fraternity, installed May 1.

The Chapel Choir sang before the National Music Supervisors' Convention at Des Moines, Iowa, April 14. An invitation to sing before such a group is a

## PRAECEPTOR

COMSTOCK HALL

high honor, indicative of the place the musical organizations of the College are rapidly coming to hold.

Two Conference championships in one year is a record to be proud of. In addition to being the champions in football the team was unscored upon by any conference team. The basketball team brought to the school its first Interstate basketball championship.

As the College grows, its traditions grow. Last year following the fire, the school adopted the Dragon as its symbol for Athletics. This year an official Dragon banner was adopted and was featured during Homecoming.

The old and the new traditions were combined in the Official Seal, which was adopted by the Administration in March.

Since the fire Weld Hall has been the center of the classroom activities of the college students and the Students' Exchange is the point around which social life revolves. The first floor of Wheeler Hall is given over to the executive offices while the remaining rooms of Wheeler and all of Comstock are being used as dormitories for Women.

Physical Education is carried on in the Student Exchange which also contains the bookstore and Post Office.

On Memorial Field are found the gridiron, quarter mile cinder track, baseball diamond and tennis courts, while the Moorhead Armory provides a large floor for basketball.

Facilities for the training school system are provided by the six campus Training School Houses rented for the college by Alumni Association, Glyndon Public Schools and Sunnyside, Grover, and Riverside rural schools.

## The College

**M**OOORHEAD State Teachers College is one of six teachers colleges maintained by the state of Minnesota for the purpose of preparing teachers for the public schools of the state. It is a standard four-year college offering work leading to the degree of Bachelor of Education. It also offers the two-year course for which the advanced diploma is granted. Completion of either course entitles the student to a certificate from the state department of education.

The college prepares teachers, supervisors, and administrators for elementary schools, junior high schools, and senior high schools. A thorough professional training is made possible through the system of training schools maintained in conjunction with the College proper. The four year graduates go out with a year of teaching experience; those taking the two year course do part time teaching for two quarters; while the rural students do six weeks of full time teaching and observation.

The particular geographical field served is Western Minnesota, although its graduates are found throughout the state as well as in many other states.

The institution offers cultural as well as professional training, believing that a background in the academic subjects makes a graduate a more thorough and effective teacher, a cultured citizen and leader in his community.

The College is accredited as "Class A," the highest possible rating, by the American Association of Teachers Colleges, and its credits are recognized at all colleges of like rank. Its graduates are admitted to such graduate schools as Columbia, Iowa, and Chicago.

The College is operated on the quarter plan, three terms or quarters making up the regular nine month session. In addition two summer sessions are held, one of six weeks followed by one of five. Hundreds of teachers are served by means of extension courses conducted throughout the western Minnesota district.

In enrollment the college is second largest among the state teachers colleges. During the school year 1930-31 the enrollment for the fall term was 548; for the winter term it was 514; and for the spring term 501. A comparison shows that the figures for last year were: fall term, 509; winter term, 501; and spring term, 483.

A statement of the work of the institution would be incomplete without mention of such factors as the thirty student organizations whose activities contribute not only to the zest of college life, but also to a liberal education. Through the Student Commission and faculty advisers, these groups are directed in such a way that they contribute most to the student.

The Alumni association and its activities may also be considered a very real phase of the greater College. Through this very active organization the institution is enabled to keep in touch with its graduates and to be of service to them; we have seen that the alumni are also of great service to the campus.

With the erection of the new buildings the college will be able to offer increased facilities for both the scholastic and extra-curricular interests of the students.

President R. B. MacLean, Ph. B., M. A., under whose leadership the Moorhead State Teachers College is growing into an outstanding educational institution of the Northwest, with a physical plant worthy of the best efforts which he has put forth in this period of regeneration of the College.

## PRAECEPTOR

### The State College Board

DR. GILBERT L. GOSSLEE

meeting monthly and on other occasions with the Board of Presidents as occasion demands.

Dr. Hagen, who had been the Resident Director for the past eight years, resigned in order to accept an appointment as a member of the board of regents of the University of Minnesota.

Concerning Dr. Gosslee's appointment Dr. Hagen said, "I wish to congratulate Dr. Gilbert L. Gosslee on his appointment to the resident directorship to the Moorhead State Teachers College.

"Dr. Gosslee is fortunate in the time of his appointment, which gives him the privilege of fostering a new era in the growth of the state institution, enriched by fine traditions of culture and achievement which inspire to steadfast development.

"I congratulate the Moorhead State Teachers College on the appointment of Dr. Gosslee as its resident director, a man of big ideals and integrity, who bears the distinction of being a loyal friend to all in his community."

DR. O. J. HAGEN

ON April 24 the student body had its first opportunity to extend a welcome to Dr. Gilbert L. Gosslee, new resident director of Moorhead State Teachers College, who was appointed to that position by Governor Floyd B. Olson to fill the vacancy left by the resignation of Dr. O. J. Hagen earlier in the year.

Dr. Gosslee will serve as a member of the State Teachers College Board for four years. His is the task to preside over the reconstruction of the buildings which were destroyed by fire a little over a year ago.

The other members of the board are Mr. J. M. McConnell, St. Paul, State Commissioner of Education and secretary to the board, a member at large, and a resident director for each of the five other teachers' colleges at St. Cloud, Winona, Mankato, Bemidji, and Duluth. This board is responsible for all general policies of the state teachers' colleges,

**T**O the Chinese the dragon was the symbol of the emperor, and use of the five toed dragon on other than imperial goods was forbidden. There were four great Chinese dragons: the celestial, which guards the mansion of the gods and supports them so they do not fall; the spiritual, which causes the winds to blow and produce rain; the dragon of the Earth, which marks out the course of rivers and streams; and the dragon of Hidden Treasures, which watches over the wealth concealed from mortals.

The dragon was to them a being to be worshiped, revered, and feared. It was high above other beings as the emperor was above his subjects. Thus it was felt to be good to placate this dread and powerful dragon.

# Activities

# PRAECEPTOR

## 1930-31 at M. S. T. C.

**I**N spite of the fact that Old Main was destroyed by fire a year ago, M. S. T. C. has continued to hold her place in the community as the enrollment of 548 for the fall term, which established a record, shows. The year 1930-31 saw the introduction of new activities as well as "carrying on" of the old.

### SEPTEMBER 5—WE WELCOME FROSH

Under the auspices of the Y. M. C. A. and the Y. W. C. A. a party was held for the purpose of acquainting the Freshmen with their new classmates. Games and dancing were in the order of events.

### SEPTEMBER 15—ENROLLMENT 548

By this date it was known that in spite of handicaps imposed by the fire all enrollment records had been broken. The Dragon spirit was proving unconquerable.

### OCTOBER 8—TAG DAY

We did our bit toward financing homecoming by buying tags for fifty cents. The proceeds went to buy new decorations for homecoming.

### OCTOBER 9—PEP KING AND QUEEN

Irwin Mickelson and Agnes Gibb were chosen by the student body to lead the cheering at the athletic games.

### OCTOBER 10—THE NEW DRAGON ORCHESTRA

Under the direction of Mr. Christensen a new dance orchestra was organized. They appeared at the all-school party for the first time all decked out in their new red and white suits.

### OCTOBER 11—WE BATTLE THE COBBERS

Fighting like two infuriated tigers, the Dragons and Cobbers battled to a 0-0 tie before an overflowing crowd on the Dragon field.

### OCTOBER 17—THE NEW DRAGON QUEEN

From among five candidates, Evelyn Pierce of Crookston was chosen as the Homecoming Queen by the student body.

### OCTOBER 20—CANON FELLOWES SPEAKS

"Madrigal means Mother song, just as the language is thought of as the Mother tongue and is derived from an Italian word." Thus spoke Canon Fellowes, Organist of the Westminster Choir, as the first member of our Lyceum Course.

### OCTOBER 28—NEWMAN CLUB ORGANIZED

The Newman Club, an organization for the Catholic students on the campus, was organized with Florence Renner as president.

### OCTOBER 27-30—M. E. A.

A short vacation was enjoyed by the students as the faculty attended the M. E. A. at Minneapolis.

### NOVEMBER 1—FRITZ GETS BIG HORN

At last Mr. Christensen has secured a horn large enough for Fritz, one that will not be straightened out every time he blows in it.

## NOVEMBER 7—NEW DRAGON BANNER

The Dragon Banner, adopted by the Student Commission as official, received the approbation of the student body when presented in chapel. It will be used to head the Homecoming parade and on other festive occasions.

## NOVEMBER 7—WE BROADCAST

True Dragon spirit was shown by the student body when we broadcast our pep-fest from the Auditorium. The torch-light parade and huge bonfire further aided.

## NOVEMBER 8—HOMECOMING

At ten o'clock p. m., after the different organizations had their breakfasts, the big parade, led by the standard bearers, marched through the business sections of Moorhead and Fargo.

At 2:30 the Dragon football team, led by Captain Gilpin, did their bit by trouncing the "Jimmies" 30—0 and incidentally winning the Conference title for the third consecutive year.

After the Annual Alumni Banquet, held in Comstock Hall, at 6:30, the Homecoming Hop with music by the "Dragons" concluded the Homecoming festivities.

## NOVEMBER 22—"TILLIE OF BLOOMSBURY"

"Here I am and here I stay until I get what I come for." Thus we hear "Tillie of Bloomsbury" as presented by Alpha Psi Omega and the Dramatic Club.

## NOVEMBER 25—CAMPUS SURVEY

A survey of the campus was begun by a board of architects and engineers in order that the Minnesota State Legislature may have definite plans to consider when it meets early in 1931.

## NOVEMBER 25—VACATION

As Thanksgiving Vacation also marked the end of the term, there was double cause for rejoicing.

## DECEMBER 2—JAN SMETERLIN

The reception given the eminent Polish pianist illustrated the appreciation of good music by the students of the College.

## DECEMBER 5—FOOTBALL BANQUET

The faculty entertained the football squad at the New Columbia Hotel. Obert Nelson was elected captain of the 1931 Dragons. With a generous amount of good food and interesting speeches the schedule came to an end.

## DECEMBER 6—WE DEFEAT BISON

A pre-season basketball game with the Bison netted the Dragons a 35—26 victory, a forecast of what might be expected of our team in Conference tilts.

## DECEMBER 15—RADIO GIRLS SING

The Radio Girls assisted the Girls' Glee Club of St. Johns' Hospital, Fargo, in the presentation of their annual Christmas recital. Miss Tainter, reader, and Mrs. Preston, violinist, aided the combined chorus which was directed by Miss Wenck.

## DECEMBER 17, CHRISTMAS DINNER

The Christmas season opened with the annual dormitory Christmas Party. Decorated in Christmas colors and illuminated by candles, the dormitories presented a most beautiful appearance and offered the girls an enjoyable time.

## DECEMBER 18, MUSIC BANQUET

The music organizations of the school held their annual banquet at the Congregational church. Choir charms were awarded by President MacLean.

## DECEMBER 19, TRAINING SCHOOL PAGEANT

At the last Chapel exercises before the Christmas holidays the student body witnessed a Christmas Pageant given by the Training School.

## JANUARY 18, DRAGONS BEAT COBBERS

The Dragon quint gained revenge for a previous defeat by beating the Cobbers 22-20. The Dragons and N. D. U. were the only teams to defeat the Cobbers this season.

## JANUARY 22, BUILDINGS PROVIDED

A special assembly to celebrate the signing of the appropriation bill for the new buildings to be erected on the campus in the near future was called by John Ingersoll, president of the Student Commission.

## FEBRUARY 2, SIGMA TAU DELTA

The English department announced that a request for a charter from the Sigma Tau Delta has been granted. This makes the second national fraternity on the campus.

## FEBRUARY 4, WE DEBATE PITTSBURGH

A large audience heard the Pittsburgh debate team oppose the Moorhead State Teachers Debate team on the question: "Resolved, That the several states should adopt compulsory unemployment insurance laws."

## FEBRUARY 6-7, MODEL LEAGUE OF NATIONS

Four delegates, Clarence Gludt, John Ingersoll, Donald Bird, and Clarence Glasrud, representing Sweden, were sent to the Model League of Nations held at Macalester College. Glasrud was chosen to work with delegates from other colleges to plan for future Model Leagues.

## FEBRUARY 11, CHEMET AND SPICER

The audience was thrilled at the rich mellow tones that were produced by Miss Chemet on the violin and by the deep baritone voice of Mr. Spicer, who presented the third Lyceum program of the year.

## FEBRUARY 18, GILPIN HEADS STUDENT COMMISSION

Headed by Chester Gilpin, an entire new Student Commission was elected by the student body. It included besides Mr. Gilpin, Mildred Moberg, Henry Booher, Eugene Eininger, Eleanor Bruggeman, Lucia Askegaard, Lyman Bringgold, Donald Bird, and Reuben Parson. Evelyn Cook was elected editor of the 1932 Praeceptor.

## FEBRUARY 18-22, DEBATERS ARGUE THRICE

Dragon debate teams in one week met the University of North Dakota, Mayville Teachers College, and Jamestown College.

## FEBRUARY 28, "GIANTS IN THE EARTH"

A large audience witnessed this epic play of our own section of the country. At the play we lived again the stern life of the pioneers who came to the prairies of North and South Dakota.

## MARCH 1, "CRAM WEEK"

We begin the last week of school intent upon learning something this quarter during the last few days. Oh, if the term were only over and we would be blessed with a lowly C or D.

## MARCH 2, CHAMPIONS AGAIN

A victory over Jamestown College cinched the Conference title for the Dragon basketball team.

## APRIL 9, KAPPA DELTA PI

That a charter for a Kappa Delta Pi honorary English Chapter was granted the College was announced by the Education Department. This is the second national fraternity charter granted M. S. T. C. this year.

## APRIL 10, GOSSLEE, NEW RESIDENT DIRECTOR

Dr. Gilbert L. Gosslee was appointed resident director of Moorhead State Teachers College by Governor Floyd Olson to fill the vacancy created by the resignation of Dr. O. J. Hagen.

## APRIL 11-15, ARTS FESTIVAL

The Arts Festival opened with the Band Concert Saturday, April 11, under the direction of Mr. Christensen. The soloists were Reynold Christensen and Reuben Parson.

On Sunday, April 12, the second number of the Arts Festival, a sacred concert, was presented by the Chapel Choir, assisted by the Double Male Quartet and Mrs. Agnes Kise, contralto.

The recital by the Gordon String Quartet which was the crowning feature of the Arts Festival was presented before an appreciative audience, April 15.

## APRIL 13-17, CHOIR TRIP

Besides singing at the National Music Supervisors Convention at Des Moines, the choir presented concerts at the University of Minnesota and broadcasted over station WHO. Mrs. Kise was the soloist for these concerts.

## APRIL 25, TENNIS MEET

The first tennis meet of the season was held April 25 when the Dragons met the Vikings. Student coaches for the Dragon team are Clarence Glasrud and Rupert Krienbring.

## MAY 2, THE FIRST GAME

The Dragons met the Theta Chi fraternity team in the first game of the season, a non-conference encounter. A 23-1 victory served to indicate the quality of ball we might expect in the conference tilts.

## MAY 5, BAND PLAYS

Three concerts in Breckenridge, Fergus Falls, and Barnesville were given by the College Band under the direction of Mr. Christensen. The soloists for these programs were Louise Murray, soprano, and Reynold Christensen, cornet. In the evening program they were assisted by the Radio Girls.

## MAY 7 AND 8, RURAL DEMONSTRATION

Visiting County Superintendents and Rural Workers were guests of the College during the Rural Demonstration, held May 7 and 8. Dr. L. J. Brueckner of the University of Minnesota spoke to the students during the regular Chapel exercises.

## MAY 8, FIRST CONFERENCE GAME

In a close and thrilling game with the Jamestown College Jimmies, the Dragons were vanquished by a 4-2 score. The Jimmies took the lead at the beginning of the game and were never headed, although the Dragons threatened a rally in the final inning of the contest.

## FUTURE EVENTS

As the Praeceptor goes to press, various events have been scheduled for the future and will be discussed briefly.

May 16 is the date set for the district high school track meet, with the regional meet planned for May 23. On the latter date the College team will journey to Valley City to the Interstate Conference track meet in the attempt to add another championship to their list.

On Rural Play Day, May 15, the College will again be hosts to its rural friends.

May 18 will be a red letter day for Moorhead, for on this date the 50th Anniversary of its incorporation will be celebrated. Gov. Floyd Olson, the speaker of the day, will be escorted by a procession which will include floats furnished by the schools and various business houses of the city. M. S. T. C. floats will trace the development of Moorhead since 1870. The MiSTiC will enter the float which received so much publicity when entered in the 1929 Homecoming Parade. Miniature Mistics will be printed and distributed during the parade.

Various activities in which the graduating class will play the leading role are also scheduled. On May 15, the seniors will observe Cap and Gown Day, which they hope will become traditional. On this date they will don Cap and Gown for the first time and the chapel exercises of the day will be in their honor. It is planned that Leonard Eriksson, '00, will speak at these exercises.

For the first time the Sophomore Prom and Senior Prom will be held on different dates. May 29 is the scheduled time for the Sophomore dance, while the Junior-Senior Prom will be held on May 30.

Swing-out Day will be in the hands of the Juniors, and will be truly a day for "Swinging out" the Seniors.

Commencement Exercises, closing the year's activities, will be held at 10:30 A. M. Tuesday, June 2.

Left to right: Ralph Iverson, secretary; Ole R. Sande, president; Wallace G. Rosel, treasurer.

## The Alumni Association, Incorporated

**A**N organization upon which the school can count for support and aid—this is surely what one may look for in an alumni association. That is what our Alumni mean to the Moorhead State Teachers College.

The Alumni Association of Moorhead State Teachers College, which is incorporated under the laws of the state of Minnesota, is headed by the following officers: Ole R. Sande, Moorhead, president; Eva Mark, Moorhead, vice-president; Ralph Iverson, Tower, North Dakota, secretary; and Wallace G. Rosel, Hendrum, treasurer. This group together with Blanche Loudon, Moorhead, Leonard Eriksson, Fergus Falls, and James Dahl, Lockhart, make up the executive council of the association.

Among the major projects undertaken by this organization was the purchase of six cottages, which were rented to the state for use as quarters for the Training School during the past year and a half since the fire destroyed the old quarters.

The Alumni Association sponsors three gatherings during the year: at Homecoming, Teachers Meeting and Commencement. At Homecoming the Alumni hold a banquet and dance; at the Teachers Meeting, a banquet; and at Commencement the graduates are welcomed as new members of the group. Business meetings are held on both occasions.

Since February, 1929, when an opportunity to become life members was provided, eighty-six persons have availed themselves of this privilege.

Through the MiSTiC, the College newspaper, the members of the Alumni keep in touch with the school and with each other. Many return to school during the summer sessions or take extension courses offered during the year, and thus keep alive their contacts with the school. The tours sponsored by the Geography department each year also attract many former students.

Several of the former graduates of Moorhead State Teachers College have returned to their Alma Mater as instructors. Among them are Henry Weltzin, Ole R. Sande, Blanche Loudon, Ella Evenson, Marie Sorknes, Olga Korsbrek, Clara Malvey, Mrs. Durboraw, Agnes Carlson, Lyl Solem, and Ethel Tainter. The graduate of Moorhead State Teachers College who has reached the highest place in the educational world is Miss Ada L. Comstock, '98, who is president of Radcliffe College.

Left to right: (Senior Class) Arthur Simson, president; Marie Riste, secretary; Florence Renner, vice president.

## Class Organizations

**T**HE class of 1931 has played an increasingly important part in the activities of the school. It is the first class that can be said to have definitely planned for the four years. The close integration of its program during the four years may be credited to the leadership of Arthur Simson, who has been president every year. The graduating class of twenty-seven is the largest ever graduated from the degree course.

The Junior Class, headed by Chester Gilpin, has the distinction of being the largest Junior class in the history of the school. This class has also the honor of having the present president of the Student Commission as well as the past president chosen from its ranks.

Led by William Robinson, the Sophomore Class has fulfilled the promise shown by it as Freshmen. As in the Freshman Class, there is a marked increase in the number of students enrolled for the four year course.

The Freshman Class with Wilbur Bailey as president is doing its share to uphold the traditions of the school and has also succeeded in setting up new ideals.

Left to right: Chester Gilpin, president, Junior Class; Wm. Robinson, president, Sophomores; Wilbur Bailey, president, Freshmen.

Top row: L. Johnson, E. Linngren, A. Braaten, E. Sherman, E. Swanson, B. Kravik, M. Kirby, H. Chamberlain.  
Bottom row: R. Kreinbring, D. Ingram, C. Glasrud, R. Johnson, D. Bird, Mr. Murray, J. Lind, W. Stevenson, A. Rustvold.

## The MiSTiC

DONALD BIRD	-	-	-	Editor-in-Chief
JOHNNY LIND	-	-	-	Business Manager
CHESTER GILPIN	-	-	-	Circulation Manager
MR. WELTZIN	-	-	-	Print Shop Supervisor
MR. MURRAY	-	-	-	Faculty Director of Publications

THE MiSTiC is a weekly newspaper published by the Moorhead State Teachers College. The MiSTiC is a four-page paper, but on various occasions it has been increased to a six or eight-page edition. The first six-page edition which included the student directory was followed by a special Homecoming edition of eight pages. The literary supplement, containing a number of outstanding student articles, was a six-page edition. Extra special editions of the MiSTiC were published when the appropriation bill for the new buildings was passed by the Senate and the Governor affixed his signature to it and made our dream come true.

On May eighth the Freshman edition was published. This gave all the would-be news-hounds a chance to show their wares and work for a place on the staff for next year.

Because of the fact that the reportorial staff is made up of the members of the journalism class, it changes every quarter, so that it is rather difficult to give the names of all who have contributed to make the paper a success.

The MiSTiC has been consistently awarded First Class rating by the National Scholastic Press Association.

Top row: P. Hewitt, O. Richardson, C. Glasrud, W. Stevenson.  
Middle row: S. Morrill, E. Linngren, F. Renner, D. Riebhoff.  
Bottom row: E. Cook, E. Townsend, G. Grina, Mr. Murray.

## The Praeceptor

ELVIRA TOWNSEND	-	-	-	-	-	-	-	Editor-in-Chief

BYRON D. MURRAY	-	-	-	-	-	-	-	Faculty Adviser

THE Praeceptor, the yearbook of the Moorhead State Teachers College, contains a record of the school year; to make this record complete has been the endeavor of the staff members. But the staff members have other interests as well as journalism. Music, dramatics, athletics, and art all have representatives on the Praeceptor. Thus the staff is seen to be representative of the varied activities of the College.

The work this year in producing the Praeceptor has been carried on under a great handicap, but the Praeceptor staff is looking forward to next year, when the 1932 Praeceptor will be published under the leadership of Evelyn Cook of Fargo, N. D., in the new quarters in the Journalism department that are being planned for it in the new Main building.

Top row: D. Bird, C. Glasrud, C. Gludt, R. Johnson, W. Dokken.  
Middle row: E. Arsneau, M. Kirby, M. Borton, E. Sherman, E. Larson, M. Krier, D. Peterson.  
Bottom row: R. Krienbring, C. Melby, D. Ingram, Mr. Murray, A. Rustvold, L. Davis.

### Intercollegiate Debate

THE seventh consecutive year of intercollegiate debating at M. S. T. C. was formally begun January 13, when the men of the College met the Concordia debaters. M. S. T. C. upheld the affirmative side of the question: "Resolved, that all nations should adopt a policy of free trade." Donald Bird, Rupert Krienbring, and Wilson Dokken composed the affirmative team. The next debate was with Mayville at Mayville in which Arthur Rustvold, Clarence Gludt, and Donald Ingram upheld the negative. Both debates were non-decision.

On February 4, the most spectacular battle of the debate season took place. At this time Clarence Gludt and Wilson Dokken maintained the negative of the question: "Resolved, that the several states should enact compulsory unemployment insurance laws." The affirmative team was composed of Cyril Jacobs and Albert Strauss of the University of Pittsburgh. The audience gave a decision of 84—37 in favor of Pittsburgh.

February 19 Donald Bird and Wilson Dokken, affirmative speakers, met the University of North Dakota team here, and the M. S. T. C. negative team composed of Clarence Gludt and Clarence Glasrud met the University team at Grand Forks in non-decision contests.

Four debates were held with Jamestown. The women's affirmative team, Delia Peterson and Eva Arsneau, and the men's negative team, Arthur Rustvold and Clarence Gludt, debated here, while Elianor Sherman and Ethel Gunderson upheld the negative and Donald Bird and Wilson Dokken, the affirmative, at Jamestown. The men's affirmative won by an audience decision, 30—5. The other debates were non-decision.

The Dragon affirmative team, Donald Bird, Wilson Dokken, and Ralph Johnson met Mayville at Glyndon March 13 in an interesting tilt before the high school at that place.

An interesting feature of the debate season was the first Minnesota Teachers College Forensic League debates, organized this year by Mr. Murray. The affirmative team, Donald Bird, Wilson Dokken, and Clarence Glasrud met Mankato March 26 at Mankato. The judges' decision was 4—1 in favor of M. S. T. C.

Left to right: C. Gludt, J. Ingersoll, C. Glasrud, D. Bird.

Arthur Rustvold, Elianor Sherman, and Ethel Gunderson, the negative team, met Winona here and lost by a 3—2 decision. Moorhead led the League in votes by a slight margin.

April 8, Ethel Gunderson and Elianor Sherman, negative team, met the University of North Dakota women here, in a non-decision debate.

There were two more debates to be held this year. April 17 Delia Peterson and Eva Arsneau were to go to Grand Forks to debate the University of North Dakota women's negative team. Sometime in April the strong St. Thomas team from St. Paul was to meet the M. S. T. C. debaters.

### Model League of Nations

FOR about ten years the colleges of the eastern United States have been presenting model assemblies of the League of Nations, their sessions patterned closely after the yearly sessions at Geneva, each college representing a country and discussing the problems before the league for settlement from the viewpoint of that nation. Not until this year had the movement spread into the western states but when Macalester College took the initiative and organized a Model League of Nations with the colleges of Minnesota as members, those attending found the venture so successful that they voted to perpetuate the Model League idea and made provisions for another assembly to be held next year.

The Moorhead State Teachers College delegation, representing the Kingdom of Sweden, appeared a little late for the first meeting which was held at Central High School, St. Paul, and took up the report of the Credentials Committee, the election of the president, and a discussion on harmonizing the Covenant of the League of Nations with the Pact of Paris.

With all the formality of the regular sessions of the League of Nations, the Friday evening meeting began with the roll call in French, took up the report of the Minorities Committee, an expression of concern over the death of Marshal Foch and a discussion of the world economic depression. At the closing session on Saturday morning, the delegates heard the reports on mandates, refugees, and the Agrarian Crisis and discussed the resolution on traffic in opium and other dangerous drugs. After the formal speeches and reports on these matters, the questions were discussed in an open forum debate.

## Girls' Glee Club

KAY RUTH HAZEN	-	-	-	President
ANNA WEDUL	-	-	-	Vice-President
JEANIE GIBB	-	-	-	Secretary
MISS MAUDE E. WENCK	-	-	-	Directress

THE Girls' Glee Club is a musical organization, the purpose of which is to provide an opportunity for participation in the singing of sacred and secular part music.

Candidates are required to pass a simple voice test given at the beginning of the school year.

During the year the Glee Club attended the annual music banquet at Christmas time and gave several radio concerts over station KGFK.

Some of the songs sung were "Thine Eyes so Blue and Tender," Lassen; "Sweet Jesus, Heavenly King," Stain; "I Passed by Your Window," Brooke; "Roses of Picardy," Haydn Wood; "More Money," Fearis; and "Old Folks at Home," Hermann.

Top row: A. Skjonsby, O. Thompson, O. Richardson, D. Ingram, E. Herman, M. Graves, E. Cook, R. Hallenberg, E. Townsend, R. Parson, R. Walls, R. Christensen, H. Keehne, R. Erickson, M. Fritz.  
 Middle row: C. Hallock, I. Mickelson, A. Brackley, E. Holte, M. Neill, H. Chamberlain, L. Murray, D. Riebhoff, V. Loughlan, E. Bjornson, E. Swanson, R. Ireland, P. Kosel.  
 Bottom row: D. Hoel, H. Brisbane, S. Headland, I. Barton, A. Herman, E. Pierce, R. Sherwood, A. Nelson, S. Criser, M. Russell, W. Zimbrick, E. Hall, D. Knutson, M. Stinson, M. Stinson, M. Brown.

## The Chapel Choir

DANIEL L. PRESTON

Conductor

SINGING before the National Music Supervisors Convention at Des Moines, Iowa, was the outstanding event for the Chapel Choir this year. The Choir presented on that occasion a full evening program in conjunction with the Carleton College Symphony Band. These two organizations had the distinction of being the only college groups invited to appear before the convention. Besides singing at Des Moines, the Choir gave concerts at the University of Minnesota and Bangor, Wis., while on their trip to Des Moines. Other concerts were given during the Arts Festival at the College and at the First Presbyterian Church in Fargo. The Chapel Choir will sing at Commencement in June.

The program given by the Chapel Choir in the various concerts includes the following numbers: Come, Sleep, by Gibbs; All Creatures Now Are Merry Minded, by Benet; Open Our Eyes, MacFarlane; Listen to the Lambs, by Dett. In the intermission Mrs. Agnes Kise sang a group of three numbers, Star Vicino al bell 'Idolo, Rosa; Botschaft, Brahms; and Ah, Love, But a Day, by Beach. Following the numbers by Mrs. Kise came two numbers by the Double Male Quartet, Ave Maria, by da Vittoria and Plorate, Filii Israel, by Carissimi. The Chapel Choir closed the program with a group of four numbers which included the following numbers: Lo, How a Rose E'er Blooming, by Praetorius; How Blest are They, by Tschaiowsky; How Far Is It To Bethlehem, Shaw; and The Song of The Cherubim, by Glinka.

Back row: R. Hallenberg, A. Brackley, J. Roholt, E. Gunderson, D. Hoel, H. Brisbane.  
Middle row: M. Stinson, M. Graves, E. Pierce, Miss Wenck, M. Stinson, E. Peterson, E. Townsend.  
First row: D. Sorkness, S. Criser, S. Headland, R. Sherwood, L. Murray, H. Chamberlain.

## Radio Club

MISS MAUDE WENCK	-	-	Directress
MISS DOROTHY HOEL	-	-	Accompanist
MISS MILDRED GRAVES	}	-	Librarians
MISS EVELYN GUNDERSON			

The purpose of the organization is as follows:

1. Participation in public performance.
2. Acquaintance with the standard as well as the contemporary composers.
3. An appreciation of the best in sacred and secular part music.

The Radio Club made their first public appearance before the Nurses' Convention at the Elk's Club in Fargo, N. D., where they gave a group of ensemble numbers. Every two weeks the people of Fargo, Moorhead and the surrounding vicinity have been given a chance to "listen in" to the concerts given by the Radio Club from station KGFK, Moorhead.

At the monthly Schoolmasters' banquet in October the Radio Club provided the musical entertainment. They also gave a group of numbers for a chapel program last fall.

Each year the Radio Club is especially active during the Christmas season. On December 16 the Radio Club assisted the Glee Club of St. John's Hospital in the presenting of a full concert to the staff of the St. John's Hospital. The Radio Club and the Double Male Quartet gave a joint formal Christmas recital on December 18.

The Radio Club will sing at a number of the activities of the spring term, with the formal concert and party set for May of this year.

Top row: R. Parson, C. Hallock, A. Skjonsby, E. Herman.  
Bottom row: R. Walls, Mr. Preston, M. Fritz, O. Thompson.

## Double Male Quartette

THE Double Male Quartet was organized by Mr. Preston two years ago, and under his direction has taken a high place in music circles of the Northwest. A year ago the group was featured at the National Music Supervisor's Conference at Chicago, and enjoyed a two-weeks concert tour on the return trip. In the latter part of June they were guests of the Lions Club International Convention at Regina, Saskatchewan for several days. The Minnesota Educational Association, which met in Minneapolis in October, 1930, featured the Octet on several of its programs.

The personnel includes: Daniel L. Preston, first tenor and director; Robert Walls, Washburn, N. D., and Morris Fritz, Hawley, Minn., second tenors; Arthur Skjonsby, Rosholt, S. D., Rueben Parson, Battle Lake, Minn., and Erling Herman, DeLamere, N. D., baritones; Oscar Thompson, Rosholt, S. D., and Clare Hallack, Fargo, N. D., basses. Harlow Berquist is the accompanist. Associated with the Double Quartet are Donald Ingram, baritone and Paul Rosel, bass.

Left to right: H. Berquist, R. Walls, R. Christensen, O. Thompson, A. Skjonsby, L. Davis.

## The Dragons

### ENTERTAINMENT ORCHESTRA

#### MEMBERSHIP

HARLOW BERQUIST	-	-	-	Pianist and Manager

REYNALD CHRISTENSEN	-	-	-	Second Trumpet
ROBERT WALLS	-	-	-	Saxophone, Vocal Soloist
ARTHUR SKJONBY	-	-	-	Trombone, Banjo
LYMAN DAVIS	-	-	-	Drums

IN RESPONSE to the need for a local entertainment orchestra, "The Dragons", was organized early last fall by Mr. Christensen. The purpose of the organization is to furnish music for school parties of various kinds.

The popularity of the orchestra was instantaneous, and it has played for some function nearly every week since its origin. Quite frequently, also, has the orchestra furnished music for affairs not in any way connected with the Teachers' College.

A very striking uniform was adopted by the orchestra. It consists of red jackets, white trousers, and large red Windsor ties. In addition to these uniforms, a banner bearing the name "Dragons" forms a part of their equipment.

THE BAND has played a conspicuous part in certain outstanding activities of the school year, such as Homecoming and the Annual Arts Festival. It serves as an advertising unit of the College. A number of concerts are played away from the campus every year. Last year the Band won the Hudson Bay Trophy at the Winnipeg Music Festival. Credit is given for successful work in the organization.

Left to right: Jan Smeterlin, Renee Chemet, Earl Spicer.

### The 1930-31 Lyceum Course

**F**EATURING noted artists in the field of music and a speaker on music, the 1930-31 Lyceum Course under the direction of the committee, of which Mr. Christensen is chairman, measured up favorably with lyceum courses of past years.

Canon Fellowes, author, editor, and speaker of note, opened the course with a very interesting lecture, aided by phonograph reproductions, of the English Madrigal school of music. The origin of the madrigal dates back to 1535, but was not a favored form until about 1585. The composers of this music put their very souls into their work, and did not worry about the financial outcome. The word is derived from the Italian, and means mother song, he said.

Jan Smeterlin, brilliant Polish pianist, thrilled an appreciative audience gathered in Weld Hall December 2. The listeners were amazed at the skill and rapidity with which he played. "There were times," said Don Ingram in the *MISTIC*, "when you could not see his hands moving, but nevertheless soft, hushed tones resounded from the depths of the beautiful piano." Called back for three encores, he showed a sympathy for whatever type of selection chosen.

Performing before a capacity crowd, Renee Chemet, noted French violinist, and Earl Spicer, English baritone, pleased with one of the most enjoyable and varied programs of its kind ever given in Weld Hall. Miss Chemet chose a number of difficult classic selections which enabled her to display an amazing technique and mastery of the bow. Mr. Spicer, after his opening group of two German and two Italian songs, on the other hand selected a number of popular-classic numbers to win the enthusiastic approval of the audience gathered with his versatile, resonant baritone voice and command of dramatic values. Seldom does one hear such numbers rendered with the skill and excellent intonation shown by Mr. Spicer.

### The Annual Arts Festival

**T**HE seventh annual Arts Festival opened Saturday, April 11, with the Grand Concert given by the band. Under the able direction of Mr. Christensen, they presented a very pleasing program which included: Pilgrims' Triumphal, Talbott; "Hungarian Dance" No. 5, Brahms; "Berceuse" from "Jocelyn," Godard; cornet solo, Reynold Christensen; Poet and Peasant, Suppe; "Hear Me! Ye Winds and Waves" from "Scipio," Handel; baritone solo, Reuben Parson; Victor Herbert Favorites, Arranged by Lake; Ham Trombone (A Cullud Bahbaque), Novelty March, Fillmore, with Erling Herman, Margaret Deutschman, and Lynn Townsend as a trombone trio; Scenes from Operaland, Overture, Arranged by Hayes; March Intrepidus, Christensen.

Under the direction of Mr. Preston the Chapel Choir presented a sacred concert Sunday as the second number of the Arts Festival. The selections were the same as those given in the North Central convention tour. The Choir was ably assisted by Mrs. Agnes Kise, contralto, and the Double Male Quartet.

As a special feature of the Arts Festival, the Gordon String Quartet rendered a program of chamber music before a very attentive and appreciative audience on Wednesday evening, April 15. The Gordon Quartet is composed of four very accomplished artists who have been playing together for the last nine years. This group was organized in 1921 by Jacques Gordon and is composed of two violins, a viola, and a cello. Their tone quality was beautiful and their rendition of the works of Beethoven, Schubert, and Hayden left an impression on the listeners that will remain for a long time to come.

The next musical attraction at M. S. T. C. will be a concert by the United States Army Band next September.

### "Tilly of Bloomsbury"

**T**ILLY OF BLOOMSBURY," a comedy by Ian Hay, was presented by Alpha Eta Cast of Alpha Psi Omega, National Honorary Dramatic fraternity, November 22nd, in Weld Hall. The exceptional merit of the production was due to the usual admirable coaching of Miss Tainter, Director of Alpha Eta Cast, and also to the fact that all members of the cast, which included several alumni, had the benefit of much and varied experience on the stage.

Ray Simonitsch, an adept at comedy, managed to lend both dignity and sly humor to the role of the hen-pecked Lord Mainwaring. Catherine Dunham gave a masterly performance as the middle-class snob, Lady Mainwaring. Viola Dixon, as Sylvia, showed by her sustained acting what a clever actress can do with a minor part.

Quoting Bernice Kravik, in "The MiSTiC": "As the plot thickened, Lyman Bringgold, the dark, dashing hero, as 'Dick Mainwaring'; the object of his affections, miniature but magnificent, Marion Cronin as 'Tilly'; and the athletic Percy Welwyn, played by Reuben Parson, master of humorous quirks, appeared on the stage. Helen Chamberlain, a mixture of tender sympathy and unfailing humor, yet decidedly of the upper English class, took the part of the chic 'Constance Damer.' Easily swayed by Connie's charms, Donald Ingram, as 'The Reverend Rylands,' blundered about in an honest effort to do the right thing by everybody and succeeded admirably. To have an audience fall for his charms despite his weakness of character was a task that might well seem impossible, but Dick Lowry as 'Lucius Welwyn,' the gentleman ne'er-do-well, accomplished it in a most polished fashion."

Nellie Maland made much of the part of "Amelia," Tilly's little sister. Tilly's anxious but sympathetic Mother was very capably portrayed by Rosella Lyttleton. Flora Enander, as Tilly's Grandmother, gave another of her excellent character sketches. Walter Fogel as the Mainwaring's butler, Eugene Eininger and Alf Sather as the Welwyn's lodgers, handled the minor roles very competently.

Frank Nemzek contributed greatly to the success of the play by his splendid impersonation of Stillbottle, temporary butler to the Welwyns.

### "Giants in the Earth"

**G**IANTS in the Earth" by Rolvaag-Job was presented as the annual class play on February 28, in Weld Hall auditorium, and was considered by many the outstanding dramatic performance produced on the College stage in recent years. An immense audience filled the auditorium to the limit of its capacity and dozens of people were turned away. Miss Tainter, who coached the cast and who was instrumental in the selection of this work for the class play, reaped a rich harvest of laurels for her superlative direction.

Ray Simonitsch and Viola Dixon, heading the cast as "Per Hansa" and "Beret," his wife, achieved individual triumphs only seldom enjoyed by amateurs. Simonitsch, badly hampered by an arm painfully injured in an accident only three nights prior to the performance, nevertheless appeared to splendid advantage. Miss Dixon closely seconded him, and her acting proved her the possessor of histrionic ability quite unusual.

John Bystrom, as "Ola," sensed moods and climaxes and responded in wholly sympathetic manner. Three-year old Stanley Murray as "Peter Victorious" made a hit by no means commensurable with his diminutive stature.

Lyman Davis found the role of "Hans Olsa" a congenial one and succeeded very well in sustained interest in the death-bed scene. Louise Murray made the most of her opportunities as "Sorina," wife of Hans Olsa. Her work in the second and third acts was poignantly gripping.

Axel Taflin, a newcomer to the College stage, by his splendid comedy work as

THE PER HANSA FAMILY

"Syvert Tonseten" supplied a welcome relief from the prevailing atmosphere of tragedy. "The Minister" was portrayed with proper dignity by Alf Sather.

The lesser characters were more than capably handled by people who showed coaching as thorough as that received by those in the major roles. They were as follows: Crazy Bridget, Willabelle Wasson; Aslak Tjome, Lerlowe Eastland; Mrs. Tjome, Delia Peterson; Henry Solum, Ralph Johnson; Kjersti, Hazel Doty; neighbors, Dorothy Hoel, Evelyn Pierce, Clarence Bergquist.

Children who took part besides the two mentioned earlier were Ruth Bystrom, Grace and Teddy Kittleson, Mary Preston, and Ruth Osmundson.

#### THE STORY OF THE PLAY

The story of the play is concerned with the second wave of pioneers to settle in the prairies of Dakota territory, this time by those of Norwegian blood. To Per Hansa, leader of the little settlement, the land is rich in promise.

Unlike her husband, who is a true pioneer, Beret, the wife, treasures memories of her homeland with its hills and woods; to her this illimitable flat takes on itself the aspect of a God-forsaken expanse in which dwell forces inimical to man; and remembering her religious teachings with their emphasis on form, almost kills good old Hans Olsa, who has been a model husband and neighbor, with her suggestion that his soul is in peril, and later sends Per Hansa to a sure death to seek the minister that the outward form of religion may be administered in the time-honored way.

One is inclined to feel that the patient endurance of the majority of the little settlement is more typical of the Norwegian pioneers than the fanatic, though self-sacrificing spirit of Beret.

"Throughout is depicted the unvoiced yearning of a transplanted people," said Agnes J. Kise in the MiSTiC. "Some very vivid pictures have been painted for us throughout the story; the joy at harvest time, the gloom of winter, the quiet of night, the sweep of the grasshoppers, the terror of the blizzards."

## The Hall of Fame

IN the Hall of Fame, recognition is given those students chosen the most representative of the true nature, spirit, and ideals of the College. Elected by vote of the students and faculty during a regular chapel assembly period, according to the tradition of the school, these students are honored by having their pictures on these pages.

Any student is eligible for election if he has not been chosen during some previous year. The people in school this year who have been thus previously honored are:

LOUISE MURRAY

DOROTHY HOEL

CHESTER GILPIN

JOHN INGERSOLL

LYMAN DAVIS

CLARENCE GLUDT

The Praeceptor takes great pleasure in presenting the names of the four men and the four women who were named to the Hall of Fame this year.

## Pep Squad

DOROTHY ANDRIST - - - President  
 RALPH JOHNSON - - - Vice-President  
 VIRENE LOUGHLIN - Secretary and Treasurer  
 MISS FLORA FRICK - - - Faculty Adviser

THE PEP SQUAD is one of the new organizations on the campus that was organized last fall with a membership of twenty men and twenty women for the purpose of securing some co-operative cheering at the athletic contests and to put on stunts at the half-time of the games.

Immediately after organizing, the Pep Squad elected "Micky" Mickelson and "Aggie" Gibb as Rooter King and Queen, with "Buzz" Robinson and Melba Borton as their assistants.

The Pep Squad was active in the pep fests held in chapel, besides their work during the time of the athletic contests.

On January 10, 1931, the Pep Squad had a party at which the basketball men were the guests for the evening.

THE CO-ED JAPANESE PARTY

## Social M. S. T. C.

CONDUCTING classes without any form of recreation would make college life rather monotonous. Thus we see that one form of recreation is embodied in the more or less complicated social calendar that the social committee works out for each term of the college year.

The Social Committee, headed by Henry Booher, includes the dean of women, the dean of men, and the presidents of the four classes and the various organizations. Besides determining social standards their work includes the drawing up of the social calendar for each term. This they do by having all the dates for the proposed parties submitted and then deciding on the dates so that no conflict may enter in.

Most of the parties are held in the Student Exchange. Dancing has been the main feature, although occasionally card-playing and games of various kinds are also in order. This was in accord with the wishes of the students as indicated by a vote taken last fall.

Starting the school year with the "Y" mixer, the social events of the year were continued by the various class parties, all-school parties and society functions. The Homecoming dance was the conclusion of a day filled with social activities starting with the breakfasts in the morning, the teas in the afternoon and the Alumni banquet at 6:00 in the evening. The annual girls' party was held in the form of a Japanese party in the Exchange on March 20.

Two get-togethers, exclusively for the men, were held under the auspices of the Y. M. C. A.

The Senior Promenade closed the social festivities incident to Commencement week, and thus brought to a climax too the social calendar of the year.

TRAINING SCHOOL COTTAGES

## Student Teaching

**S**TUDENT teaching represents the point in the prospective teacher's training when he is given an opportunity to practice some of the academic and professional knowledge he has acquired.

Student teaching at Moorhead State Teachers College is cared for by the campus Training School and by the seven affiliated schools. The Training School on the campus provides the students in the College with the opportunities for observation in connection with the education courses, and also with opportunities for actual participation in teaching.

The campus Training School is organized into five departments: (1) the Kindergarten department, admitting children four and five years of age; (2) the Primary department, grades one and two; (3) the Intermediate department, grades three, four, five and six; (4) the Junior High School, grades seven, eight and nine; and (5) the Senior High School, grades ten, eleven and twelve.

Each of the five departments is administered by a principal who, with his assistants, supervises the teaching of College students. The director of the Training School has general supervision of the administration of the school, coordinates the supervision of student teaching, directs curriculum investigation and assists in the placement of the graduates.

Seven schools have been affiliated with the College in order to relate the work of the institution more immediately to public education in this territory. In this group are the Glyndon consolidated school and six superior rural schools. The one-room school at Sunnyside, the consolidated schools at Clearview and Oak Mound, and the one-room schools at Grover, Gunderson, and Riverside are all located near Moorhead. The student teachers spend six weeks in intensive teaching in these affiliated schools and live in the rural communities during the time they are doing their student teaching. Supervisors from the College assist the teachers in these schools with the training of student teachers.

While each of these schools maintains its status as an independent unit a close contact is maintained between them and the College by means of Community gatherings, play-days and other similar events. Among the special events of this year may include the presentation of a pageant in Chapel by the intermediate pupils of Glyndon, the Christmas pageant, presented by the Training School, the Rural play day and Demonstration day.

**I**T is not surprising that the early Roman utilized the dragon as expressive of power, for they credited it with terrible fighting powers and as having scaled armor and breathing flames. They valued it so highly, that they termed their standard bearers "draconarius" because they carried the animal as an ensign.

The Romans also conceived the dragons as beneficent powers—sharp eyed dwellers in the inner parts of the earth, wise to discover its secrets and utter them in oracles, or powerful to invoke as guardian genii. But the conception of it as an agent of evil was the more common. In this role it revealed those qualities most to be desired by a warrior.

## The 1930 Football Season

THE 1930 gridiron season was successful to everyone connected with the Moorhead State Teachers College from every standpoint. The 38 men who answered coach Alex Nemzek's call exceeded by far the number of men in the past. A record of going through the season with their goal line uncrossed by any Conference foe, by Bemidji or by Concordia speaks well for the abilities of the players as well as the coaches. Not only unscored upon by any opponent with the exception of the powerful N. D. State team, the Dragons scored 21 points against the Bison, more than any other team that met the Thundering Herd.

The freshmen who were awarded the "M" at the annual Football Banquet held in the New Columbia Hotel are: George and Donald Anderson, Moorhead; Wilbur Bailey, Erskine; Reynald Christensen, Sleepy Eye; Alex Kimm, Moorhead; James Krajeck, Wheaton; Clarence McAllister, Park Rapids; and Rutz Christianson, Moorhead.

The upper classmen awarded letters are: Herb Moberg, Vic Anderson, Cy Bielfeldt, captain-elect Hub Nelson, John Ingersoll, Moorhead; Ross Ireland, Detroit Lakes; Art Simson and Herman Krajeck, Wheaton; Bill Robinson, Henry Booher, and Capt. Chet Gilpin, Manhattan, Mont.; and Lyman Davis, Frazee. Of this group the only man lost to the squad is Art Simson, veteran tackle, whose steady work has been a factor in the three Conference Championships that he has taken part in.

At the Football Banquet, this group elected Obert "Hub" Nelson of Moorhead as their leader in the 1931 campaign.

To assist Coach Nemzek in his efforts of the 1930 season, William Curran of Moorhead, former Dragon star, was obtained, and the highly creditable showing of the dragons was in no small part due to his work with the team.

COACH "SLIV" NEMZEK

## PRAECEPTOR

DRAGONS—33 BEMIDJI—0

Facing the same team that opened the 1929 season, Bemidji S. T. C., the Dragons made a promising start on their 1930 season when they defeated the Northerners by a 33—0 score. Five times the Dragons crossed the Bemidjians' goal also scoring two points on a safety when Hub Nelson recovered a blocked punt behind the opponents' goal-line.

Many new stars were uncovered in this contest. Bill Robinson however, suffered an ankle injury which kept him out of several games to follow. The Band and several students and faculty members were present, although the day was very disagreeable.

The Dragons started a march which ended when Orr was forced on his punt and Hub Nelson fell on the ball behind Bemidji's goal for the first touchdown. Bielfeldt added the extra point as he received a pass from fake kick formation. The Dragons held the ball on Bemidji's 23 yard line as the first quarter ended. The second touchdown of the encounter was scored by Tonnie Davis, but the try for point failed.

During the half the Dragons' band paraded around the field and following this the Girls' Pep squad from Bemidji held a snake dance.

After the third quarter started the Dragons showed more unison in their charging, forcing the Green clad squad back to their goal, where Hub Nelson broke through and dropped Sexton behind his goal for a safety. Score: Dragons 15; Bemidji 0.

The strength of the Dragon reserves was too much for the Northerners, who were driven back to their 15-yard line, where Herman Krajeck carried the ball over the line after two successive plunges. After a line play, Ingersoll carried the ball over the goal for the Dragons' fourth touchdown. The final touchdown of the encounter was made by Vic Anderson, sub for Gilpin, when he caught a pass and crossed the goal line unmolested.

The gun cut short another Dragon drive as the Crimson squad were again in the vicinity of the Bemidji goal. Final score: Moorhead—33; Bemidji—0.

## PRAECEPTOR

DRAGONS—47 VALLEY CITY—0

Coming to Moorhead with a 20—14 defeat to avenge, the Valley City Vikings were met with a powerful offense that commenced on the second play of the game when Ingersoll ran around left end and continued down the field until he reached the goal. This 70-yard run seemed to daze the visitors, while it elevated the spirits of the Dragons.

Bielfeldt received the Vikings' kickoff and returned it to the 20-yard line, where after two plays, Ingersoll made his spectacular dash for the touchdown. The Dragons continued their relentless attack upon the Viking goal through the medium of Krajeck's plunges and Davis' end runs.

Davis made the second score after two runs of 14 and 30 yards each had placed the ball on the three-yard line. On an off tackle smash, Davis carried the ball over the line. Krajeck's place kick was low, making the score 13—0. With the ball on the Vikings' 28-yard line, the Dragons unleashed a passing attack that netted them 33 yards, the Ingersoll to Ireland combination proving very effective. Captain Gilpin carried the ball to the eight-yard line by reverses and "quarterback sneaks" as the quarter ended.

Rutz Christianson, former Moorhead High star, smashed off tackle for the third touchdown, but his drop-kick was wide. The Dragons gained possession of the ball on the Vikings' 20-yard line when a pass was intercepted. Christianson again scored when he caught a pass standing on the goal line. The extra point was added when Vic Anderson made a brilliant end run.

Even with the 26 point lead that the Dragons enjoyed at the half, they returned to the field determined to show no mercy to the North Dakotans. Krajeck scored a touchdown as the result of several line plunges. Tonnie Davis made his second touchdown of the game after he had made two runs of twenty yards each. Rutz Christianson again counted a touchdown for high scoring honors and also to end the Dragons' attack. The final score was Dragons—47; Valley City—0.

## DRAGONS—0      CONCORDIA—0

Meeting the Concordia Cobbers on an even basis for the first time in three years, fans expected the Dragons to win the annual intra-city classic. However the Crimson and White showed their poorest form of the year and managed to hold their rivals to a tie. The usual strong offense was lacking, while the defense was uncertain, although at times impregnable.

Three times the Cobbers had the ball inside the Dragons' five-yard line, but the Teachers' Line, backed up by an alert secondary, repelled all thrusts. This was the only game in which the Dragons failed to score.

The first quarter was in the Dragons' favor because of the strong wind, while the second quarter was even, the ball resting in the center of the field most of the time.

The Cobbers' first drive started after the half when Ingersoll's punt was hurried and blocked, the Cobbers recovering it on the Dragons' 28-yard line. However the Dragons braced and held the Concordians for downs.

As the fourth period started, the Cobbers unleashed a sustained drive which netted them four first downs. With the ball only a few feet from the goal and last down, Lee passed into the end zone, where Moberg, playing a roving center, intercepted the ball and carried it out to the three-yard line before being downed. The Cobbers received another break when Ingersoll's punt was short, being downed on the 16-yard line.

Lee made 12 yards on the first play to place the ball on the four-yard line, and two more plays put the ball on the six-inch line. On the last down, the Cobbers' pet play of checking signals was used; however, this proved their downfall, since one of the Concordians was off-side, and a five-yard penalty was imposed upon the offense. A pass that was incomplete ended that scoring threat.

Near the close of the game, a lateral pass from Halmrast to Lee placed the ball on the Dragons' 17-yard line. Another first down was made when the ball was moved to the Dragons' seven-yard line. A center smash netted no gain, while Lee went to the two-foot line on the next play. Herb Moberg broke through and hurled Halmrast back for a yard loss. On the final down, the ball was six inches short of a touchdown. Before the ball could be put in play, the gun ended this bitterly fought contest.

## DRAGONS—33      WAHPETON SCIENCE—0

Pushing over five touchdowns against the Wahpeton Science Wildcats on the latter's field on Oct. 18, the Dragons continued on their way to a third consecutive Conference championship. The Crimson attack started out slowly, almost letting a touchdown be scored against them in the first quarter.

In spite of the bitter wind from the north that swept across the field, the Dragons' vaunted attack completely crushed the Wildcats. The Teachers showed a return to the form which they showed in early games, and by this victory established themselves as outstanding contenders for the Conference title.

As the early over-confidence was overcome, the Dragons discovered their own strength and ability to pierce the Wildcat line almost at will. From the beginning of the last half there was little doubt as to who would be the winner. The whole defense and offense improved to a considerable extent.

Herman Krajeck plowed the line for good gains, while Ingersoll and Davis added yardage as the result of end runs and a short pass attack. Herb Moberg at center played a very good game, recovering two Dragon fumbles and getting many tackles.

## DRAGONS—45      MINOT S. T. C.—0

By defeating one of the strongest teams in the I. A. C. by 45—0 score, the Dragons continued the march to Conference laurels. This contest played on Memorial Field in the morning so as not to interfere with two Homecomings in local Colleges turned into a very one-sided game. From the opening kick-off the superiority of the Crimson and White was in evidence while the Beavers tried only to stem the goalward rush of the Dragons.

Tonnie Davis started the scoring festivities with a long run for a touchdown that boded no good for the opposition. In the final quarter of each half reserves were inserted and they succeeded in crossing the Beavers' goal for the seventh touchdown of the game.

## DRAGONS—21 N. D. STATE—39

After the game with the N. D. State Bison on Nov. 1, the Dragons had the distinction of having made the heaviest score against the Bison in a football game this year. Monk Ireland's interception early in the game of a pass, and run for a touchdown placed the Dragons in the lead. Blakeslee tied the score in a similar manner. Scoring a safety just before the half, the Dragons left the field at the long end of the 9—7 count. The Bison regulars that entered the game at this stage demonstrated another powerful offense at the expense of the Dragons.

Finnegan, the Bison coach, started his second string line-up against the Dragons, who emerged at the half on the long end of the 9—7 score. At this juncture, the Bison first string entered the fray. Tonnie Davis took the ball on the kickoff and made a good return, but a Dragon back fumbled on the next play, which the Bison recovered. After three plays, Cy Lonsborough and his mates had scored.

The Dragons unleashed a passing attack, but it did not function satisfactorily enough to produce the counters. Taking the ball on their 19-yard line, the Thundering Herd again trampled down the field to the Dragons' 8-yard line. After smashing the line three times, Lonsborough went over for another touchdown. Following several wide end runs and smashing off-tackle thrusts, the Bison scored two more touchdowns, making the count 33—9.

At this point came Davis' thrilling 80-yard run for a touchdown. He received the ball from Ingersoll on the kick-off and reversed the field, running along the south sidelines. Aided by perfect blocking, he crossed the Bison goal standing up.

Ellingson, Bison reserve, retaliated by a similar run very shortly after for another State score. In the closing minutes of the encounter, the Bison were forced back to their goal. Jim Krajeck blocked the punt and the Dragons had possession of the ball on the 12 yard line. On the first play Tonnie Davis received the ball on a lateral pass and drove over the line for the Dagon's last counter.

## DRAGONS—39 JAMESTOWN—0

By defeating the Jamestown College Jimmies 39—0 on Homecoming Day, the Dragons added to the festivities with the knowledge of another Conference pennant safely tucked away. The Dragons scored early in the game when Davis crossed the goal after his team-mates had brought the ball down the field from the Dragon 35-yard line. Davis again scored in the first half and Herb Moberg, fullback, crashed the line for the third touchdown.

The Jimmies made a determined stand in the last half when they filled the air with flying footballs in hope that one would find its way into friendly arms. Again and again the sensational punting of Purdy, Jimmy quarter, saved the Orange and Black's goal line from the assaults of the Dragon warriors.

The second half started with practically the same line-up in the game. Robinson kicked off to Purdy, who returned the ball to the 39-yard line. After he had made nine yards in two tries, the ball was lost on downs to the Dragons, who stiffened at the time. A long pass from Gilpin to Davis resulted in the fourth touchdown for the Dragons, while Bill Robinson place-kicked for the extra point.

After failing to gain on the first plays after the kickoff, the Jimmies were forced to punt. A pass attempted by the Dragons was intercepted by the Jimmies, who punted again to the Dragons' 10-yard line, where the ball was downed. This was the closest that the Jimmies were to the Dagon's goal in the course of the game.

Unleashing a powerful attack featuring wide end-runs, crushing line plunges, and effective aerial work, the Dragons marched down the field. Robinson climaxed the march when he plunged over the line from the eight-yard line. A place kick that was good changed the score to 32—0.

A series of line plunges that brought the ball down to the Jimmies' goal ended when Herman Krajeck carried the ball over the line. The extra point was added when a long pass was completed.

## Basketball in 1930-31

A. Simson

Coach Alex "Sliv" Nemzek's Dragon cagers clinched their first Conference pennant in basketball when they defeated the Jamestown College Jimmies on March 2 at Jamestown. Highlights in the successful season were the defeat of Concordia, who were champions of the Minnesota State College conference and fell only to the University of North Dakota and the Dragons, and the defeat of the Bison early in the season. A record of missing only 2½ days of school work was also accomplished in the season's schedule.

### DRAGONS 35—WOLVES 23

The Dragons started the season with a win over the Aberdeen Teachers College Wolves at the Armory January 2 in a one-sided game, 35—23. The work of Bill Robinson and Chet Gilpin was outstanding for the Dragons, the former accounting for 17 of his team's points. The regulars ran the score up to 33—12 when the reserves appeared on the scene, but the latter could not function well enough to keep the opponents from rallying to score 11 points to the Dragons 2.

### DRAGONS 22—COBBERS 26

The Cobbers, ancient rivals of the Dragons, were the next opponents on the schedule. A "wonder team" had been built up by Coach Cleve from Pat Hilde and Earl Moran, former Moorhead High aces, teaming with Halmrast, Lee, and Dahl of last year's crew. The Armory

was packed to the walls with students and townspeople eager to see the outcome of this bitter contest. Hilde started the scoring with a field goal soon matched by Bill Robinson, Dragon star. The lead see-sawed back and forth throughout the first half which ended 17—11 for the Cobbers.

The Dragons returned to the floor with more speed than before and forced the Cobbers to the limit before the latter could win the game 26—22. Hilde and Moran were the high-scorers for the Cobbers, while Robinson was the high scorer of the contest.

### DRAGONS 55—COMETS 27

Opening their schedule of Conference games the flashy Dragons invaded the Dakota prairies and defeated the Mayville Comets 55—27 in a game featured by sure ball handling and fast passing on the part of the Dragons, who showed phenomenal ability to sink shots from anywhere on the floor. Leading 27 to 15 at the half, they continued increasing their lead until they had amassed a total of 55 points to their opponents 27.

Marshall Lien, the only new man on the team, was high pointman, scoring twenty points in a game in which the Dragon quintet worked with unerring smoothness to spell the downfall of the Comets.

### DRAGONS 22—COBBERS 20

Two days later, January 17, the Dragon five with the joy of victory in their hearts took the floor against the Cobber team. Before a capacity crowd the Dragons fought their way to a triumphant victory of 22—20. In the last few desperate minutes tense action and one continuous thundering roar of cheers from the great crowd provided a tremendous thrill as the Dragons fought desperately and successfully to maintain their two point margin.

At the half the Dragons led by one point and at no time was either team in possession of more than a four-point lead. Henry Booher, guard, played a wonderful outstanding defense game, while Gilpin starred at forward position after Robinson retired on fouls. Quoting from the MiSTiC, "So ended a game that will live long in the memories of all spectators."

### DRAGONS 30—COBBERS 37

With one game for each and a tremendous pent-up enthusiasm seeking relief, the Armory was again packed with a tense crowd on Tuesday evening for the third game of the Cobber series. Dragon hopes were high as the half ended with a one-point lead for the Teachers, but despite a desperate attempt to stem the tide, the Cobbers came back in the second half to win 37—30. Out-

W. Robinson

H. Moberg

H. Booher

M. Lien

standing on offense work for the Dragons was Chet Gilpin, who directed his team well in that bitter contest. Dominating the defense play and always a menace to the Cobber scoring attempts was Hank Booher, whose elusive pivoting and snatching of the ball off the bank-board frequently prevented points for the Cobbers.

## DRAGONS 28—WILDCATS 20

Defeating the Wahpeton Science Wildcats in a closely contested game at the Armory on January 23, the Dragons continued their chase after the Conference title. The man-to-man defense offered by the Wildcats baffled the Dragons' fast dashes under the basket, while the guardians of the Dragon net were kept busy blocking the Wildcat attack. The first half was a nip-and-tuck affair with the score standing 10—10 as the teams left the floor. Franke, stocky Wahpeton guard, kept Robinson from getting his usual high number of points, but Moberg carried on the good work by gathering 12 points, mostly as the result of field goals from his favorite spot, "suicide corner." Lien at center tied with Anderson with nine points as the results of their offensive efforts. The attack that the enraged Dragons flashed during the second half was powerful enough to down the stubborn Wildcats by a 28—20 score.

## DRAGONS 39—VIKINGS 30

The Dragons defeated the Valley City Vikings at Valley City January 29 by a score of 39—30 after a thrilling and hard fought battle which found the teams deadlocked at the half 10—10. The Vikings came very close time after time to the speeding Dragons, but a rally would set the Moorhead team out ahead, and the stall game by the invaders protected the narrow lead. The three "musketeers" Robinson, Lien, and Moberg accounted for 34 of the 39 points. Murdock and McCrady were the stellar performers for the Vikings by scoring twenty points. The Pep Squad and several students accompanied the team to Valley City.

## DRAGONS 35—JIMMIES 26

The Dragons continued in conference circles when they downed the Jimmies on Saturday, February 7, by a score of 35—26. Coach Nemzek started his "rough-riders," who allowed a 5—0 score to be counted against them before the regulars were inserted into the fray. Moberg started the scoring by a side-shot, and the rest of the Crimson aggregation began to rain shots on the bankboard to give them a 19—10 lead at the half.

This assault was continued during the second half as they raised the score to 27—10 before the Jimmies could get a breath. Here the Jimmies rallied and began

to threaten the Dragon lead. The playing of Chet Gilpin was outstanding in this mix; he scored five field goals as a result of flashy drives down the floor and under the net. Purdy was the big threat for the visitors.

## DRAGONS 19—COBBERS 24

On the following Monday night the Cobbers again contested the victorious march of the Dragon quint in the fourth game of the series between the rival institutions which netted the Cobbers a 24—19 win. Booher opened the scoring when he made good two attempts at the foul line after he was fouled on an under-the-basket try. Moran's free throw and Halmrast's basket gave the Cobbers a short lead, which was cut down by Moberg as he scored on a pass from Robinson.

As a result of the Cobbers' accuracy at the free throw line, the victory became theirs; they made good ten free throws out of ten tries. In field goals the Dragons held the advantage, but the adeptness at tossing gift shots could not compare with the Cobbers' phenomenal skill. Robinson was again the high scorer of the game, while Booher and Gilpin were outstanding on defense play.

## DRAGONS 31—WILDCATS 36

The Wahpeton Science Wildcats were the only conference players to gain a victory over the Dragons when they defeated the Crimson and White cagers at Wahpeton, February 11. Although favored to win over the North Dakotans, the Dragons, weary from five games in a week, were unable to keep up the pace they had set during the first half. The score at this time was 15—10 for the invaders, but they were unable to keep the lead.

In the words of one of the players, "the spirit was willing, but the flesh wasn't."

## DRAGONS 35—VIKINGS 26

Again meeting the Valley City Vikings on the Armory floor, the Dragons emerged triumphant by a score of 35—26. The Vikings drew first blood when Murdoch scored a field goal and McCrady sunk a free throw to make the score 3—0 for the visitors. The Dragons, however, led by Bill Robinson, flashed a counter-attack that evened the count at 11 all at the half.

The M. S. T. C. piled up a large lead at the opening of the second half until Lien, center, was injured as he sped under the basket and McCrady crashed into him, forcing him into the north wall of the Armory. He was carried off the floor painfully bruised, and Bailey sent in for him.

The Vikings chose this time for a rally which cut

J. Ingersoll

C. Gilpin

H. Matson

M. Christensen

down the Dragon lead. Getting possession of the ball, the Moorhead team had barely begun a waiting game when the Vikings rushed in. Thrice Gilpin hurled long passes down the floor to Robinson, who outdistanced his guard to score, and end the game with nine field goals to his credit.

## DRAGONS 35—COMETS 25

The following Monday night the Dragons met the Mayville State Teachers College Comets at the Armory. The play was ragged throughout, the game being scoreless the first three minutes of play. Finally Robinson broke through and sank a field goal, which was soon tied as Sorenson also made one. The Dragons then set out in earnest and took the lead, which the Comets threatened throughout the first half. The Dragons left the floor at the half with a 17—14 lead. Rooters' hopes that the team would function more perfectly the second half were dashed, as it proved to be a repetition of the first. Only for the uncanny shooting of Robinson and Gilpin were the Dragons able to keep in the running. The loss of Lien, injured in the Valley City tilt, was noticeable in the offensive.

## DRAGONS 34—DUSTIES 27

By defeating the strong Ellendale Normal School Dusties at Ellendale on February 27, the Dragons clinched the Conference pennant. The Dusties had a record of not losing a game on their home floor until the Dragons vanquished them. The score at the end of the first half was 17—17, but the strong rally in the second half set the Dragons ahead at the end by a 34—27 score. Bill Robinson, sophomore ace, led the invading Dragons by scoring 14 points as a result of six field goals and two free throws. Baer was the star for the Dusties.

## DRAGONS 28—JIMMIES 23

The Dragons wound up the season by a victory over the Jamestown College Jimmies on the latter's home floor March 1 by a score of 28-23. In this game the Dragons were forced to the limit by the Jimmies. Starting the scoring, the Jimmies rolled up a five-point lead, but a free throw by Art Simson started the Dragon scoring which gathered the force of a whirlwind until at the half the score stood 16—10 for the invaders. The Dragons continued to hold this lead until three minutes before the final gun, when the desperate Jimmies forged ahead 23—22. Two field goals and two free throws gave the Dragons an advantage that the Jimmies could not overcome. Morrissey was the high point man for the game, having five field goals and one free throw.

Upper left, Sprinters; Upper right, Tennis Doubles; Lower left, Sprinters; Center, Tennis Squad; Lower right, Relay Team.

## Intramural and Spring Sports

**A** GREATER emphasis upon athletics for all has been made this spring by the Physical Education department. Athletic Director Alex Nemzek appointed student coaches for the various activities scheduled for spring. Nearly every line of sport is offered to the students of the College.

Tennis enthusiasts are working out under the coaching of Rupert Krienbring and Clarence Glasrud for the right to enter the Conference tournament held in connection with the Conference track meet. Boxing and wrestling is coached by Henry Ruegamer and finds a number of devotees who are to compete against Wahpeton Science and Local schools.

Led by Captain-elect Obert Nelson, about thirty men engaged in spring football, coached by Athletic Director Nemzek. Because of heavy football schedule next fall, much preparation is being done to make up for the short time available next fall.

Lyman Davis has charge of training members of the Physical Education classes for the annual spring pageant. This includes marching and calisthenics done in time to music.

Training for Boy Scout leadership is a special course instituted this spring and is conducted by L. C. Jameson of Fargo, Regional Scout Executive. A large number of men enrolled in this course which includes all phases of Scout work.

Kittenball has a number of followers, as is shown by the large number of men who are engaged in that sport under the direction of Lyman Davis. A tournament among the men is being held with the finals to be held near the end of the school year.

Sophomores and Freshmen have rallied to their own colors as the annual baseball game approaches. Last year the Sophomores won the battle, but the Frosh have high hopes of downing the upperclassmen. This is the means of deciding

Top row: Mickelson, L. Davis, Simpson, Richardson, Thompson, Dahl, Moberg, W. Robinson, Booher, Coach Nemzek.  
Bottom row: Reugamer, Gilpin, Hewitt, mascot, Edwards, Fogel.

the class supremacy with the penalty that the Frosh must wear their green caps if they lose the struggle.

Furthering the spring sports program, emphasis has been placed on track at M. S. T. C. The call for track candidates was issued the last week in March by Athletic Director Alex Nemzek. Early training was necessary for the relay team, as the quartet was to compete in the Minnesota Relays held in Minneapolis April 3 and 4. The runners that made the trip were Lyman Davis, George Robinson, Henry Booher, Harold Matson, and Cecil Veitch. Bill Robinson, member of last year's quartet, was unable to run because of an injured leg. The Dragons captured third place in their class at the meet, losing to Augustana College and Dakota Wesleyan and defeating the Valley City Vikings.

A triangular meet with Valley City and Jamestown Colleges has been scheduled for May 9 to be held here on Memorial Field, while the Interstate Athletic Conference meet is scheduled for May 24.

That the Dragons will be strong in the field events is every indication with such discus throwers as James Blaine of Frazee and Wilbur Bailey of Erskine, both of whom placed in the regional H. S. track and field meet held on Memorial Field in 1929. In addition to placing first in the discus, Bailey also placed in the shot put. In the javelin throw, Chet Gilpin represents the Dragons and is a favorite again this year to win a place on the team. Another freshman that shows promise is Wilson Dokken of Thief River Falls, a miler.

Enough conference games have been scheduled in baseball that, if the Dragons win the most, they will have a third conference championship this year. Games have been scheduled with Jamestown College, Wahpeton Science, and Mayville State Teachers College, while several games are played each season with some of the fraternity teams from North Dakota State College.

Top row: I. Mickelson, J. Ingersoll, W. Stevenson, W. Dokken, O. Thompson, L. Davis, V. Fridland, C. McAllister.  
Middle row: H. Ruegemar, E. Halonen, J. Blaine, J. Krejack, R. Ireland, H. Krejack, G. Grina.  
Bottom row: C. Gilpin, R. Christensen, O. Richardson, O. Nelson, H. Moberg, H. Booher, W. Robinson.

## M Club

### OFFICERS

OBERT NELSON	-	-	-	-	-	President
GEORGE ANDERSON	-	-	-	-	-	Vice-President
EDWARD HALONEN	-	-	-	-	-	Secretary-Treasurer

THE M CLUB is composed of men athletes who have officially earned their letter in Conference competition in any of the major sports. The purpose of the M Club is to advertise the school, to assist in track meets or other athletic contests, and to entertain prospective men students while on the campus. Coach Nemzek is the faculty representative of the M Club.

Not only has the Club increased its number in the past year, but it has strengthened the position of athletics in the school. Scholarship and sportsmanship are two of the principles each member of the Club strives for.

Every spring the M Club sponsors the District Track Meet for High Schools in this district. The contest is held on Memorial Field, and members of the Club, working with Coach Nemzek, make up the group of officials for the meet.

Each term the M Club has its party, proving that even a rough, hard group such as this Club is has its social life.

Another activity of the Club is to give a banquet and dance in honor of prospective men students.

Top row, left to right: Mr. Parsons, manager; Simson, ass't coach; Gilpin, coach.  
Middle row: Olson, Martin, Bjerkness, Scheid, E. Oss.  
Bottom row: Grina, V. Oss.

## College High School Athletics

**A**THLETICS have reached a high standard in the College High School considering the fact that this is only the second year that a four-year secondary school has been maintained here. With the admission of the High School into the North Central Association of Colleges and Secondary Schools and also the Minnesota State High School League, competition in the Minnesota State tournaments will be possible.

The football team, coached by Chester Gilpin and Mr. Parsons, manager, played four games last fall, winning one from the Moorhead High School second team, tying one with the same team, and losing to the Fargo High School second team and the Dilworth High School. New outfits were inaugurated last fall, Blue and Gold being chosen the High School colors. Complete outfits were purchased for the use of the grid candidates.

The Baby Dragons, as the High School cage team is called, had a successful season, winning twelve out of sixteen games. The games lost were to such teams as Hitterdal, Casselton, A. C. Academy, and Moorhead High second team. The Baby Dragons split in the two-game series with both the Academy and Moorhead. At a meeting of the team, Harris Vowles was elected captain for 1931.

Baseball will be the spring sport on the physical education program. Because of the lack of other schools suitable for competition in this vicinity, competition will be limited to intramural baseball.

Much of the success of the athletic teams of the High School is due to the splendid school spirit shown by the students. The High School is organized with cheer leaders in order to make the cheering section most effective, and the High School Band provides pep.

*Top row:* M. Winqvist, K. Bakke, E. Larson, O. Gabrielson, A. Dyer, E. Gunderson, L. Johnson, D. Stark, A. Hermodson, E. Lodgard.  
*Second row:* M. Redlinger, W. Streed, G. Gisvold, R. Salo, E. Rott, R. Roragon, S. Glass, A. Gibb, E. Bredlie, E. Reistrud.  
*Third row:* M. Hunter, M. Christianson, L. Sorenson, J. Roholt, E. Bestick, D. Hoag, A. Criser, D. Young.  
*Bottom row:* R. McMillan, E. Cook, M. Johnson, A. Hunkins, E. Nylander, O. Hendrickson, M. Brodin, T. Saugen, V. Anderson.

### Women's Athletic League

A WELL-ROUNDED program of sports of all kinds appropriate to the different seasons of the year, and classes in which the coaching and administration of both games and physical education is taken care of was carried out in 1930-31, under the direction of the Women's Athletic League and Misses Frick and McKellar of the faculty.

The Women's Athletic League was organized in 1924 at the Moorhead State Teachers' College as a branch of the National Women's Athletic Association. There are now about fifty members in the organization.

In order to become a member, a girl must earn a total of one hundred points, which is awarded through participation in the sports sponsored by the league, and through which she is placed on a first or second team. If a girl earns one thousand points, she receives a monogram, and two thousand points entitles her to a sweater.

Symbols of the organization are a pin representing a winged helmet and the colors of blue and white, symbolizing purity and honesty.

Throughout the past year the officers were: President, Elizabeth Bestick; vice-president, Wenonah Streed, secretary, Vivian Nelson; treasurer, Jordyce Roholt.

The league has a ceremonial and initiation each year, during which time the neophytes may be seen carrying hockey sticks, tennis rackets, and other paraphernalia such as is used in sports.

The Women's Athletic League was represented in the Homecoming Parade by a float in the form of "The Dragon". Through its uniqueness it attracted considerable attention, and it was given honorable mention at the Homecoming festivities.

*Top row:* G. Gisvold, E. Larson, A. Dyer, E. Gunderson, E. Lodgard.  
*Bottom row:* E. Bestick, L. Sorenson, A. Criser, A. Gibb.

### Girls' Monogram Club

THE GIRLS' Monogram Club was again recognized as an active organization on the campus during the winter term after a lapse of two years, when all letter girls took up the reins for reorganization.

All the Women's Athletic League girls who have earned at least one thousand points in athletics are eligible to membership in this organization. Any girl who has earned two thousand points is awarded a sweater.

These points are awarded as follows: first team in any sport, 100 points; second team in any sport, 50 points; sport captain, 100 points; perfect attendance in any sport, 25 points; perfect attendance at meetings, 25 points; skating, 5 points an hour; and hiking, 1 point per mile.

The purposes of the organization are to promote girls' athletics, scholarship, and sportsmanship. The organization sponsors a party each term, which is very much enjoyed.

The officers elected were Annabelle Criser, president; Irene Lehman, vice-president; and Eva Larson, secretary-treasurer. Miss Frick and Miss McKellar are faculty advisers.

Members of the Club but not appearing in the above picture are J. Gibb, E. Ludwig, and I. Lehman.

*Sophomore Team (top picture):* J. Roholt, L. Johnson, A. Criser, L. Sorenson, E. Bestick, V. Anderson, R. McMillan, A. Gibb, E. Bredlie.

*Freshman Team (bottom picture):* D. Stark, D. Hoag, E. Cook, R. Roragan, R. Salo, M. Redlinger, E. Rott, E. Reistrud, S. Glass, M. Hunter.

## Kickball

THE KICKBALL season was unusually successful. A great number of girls indulged in this sport as their favorite pastime. Teams were organized as Upper Classmen, Sophomore, and Freshmen. Many interesting games were played, and favorable weather seemed to encourage the performances. At times a hard-fought contest would take place between the teams, but the Upper Classmen were usually fortunate to maintain their honor.

At the end of the season Sophomore and Freshmen first and second teams were chosen under the direction of Audrey Dyer as kickball captain. Players chosen for first teams but not appearing in the pictures were: Sophomores—K. Hazen, I. Lehman, and V. Nelson; Freshmen—E. Hiler.

*Sophomore Team (top picture):* M. Brodin, E. Lodgard, A. Dyer, A. Criser, E. Bestick, A. Gibb, R. McMillan, E. Bredlie.

*Freshman Team (bottom picture):* A. Nelson, D. Stark, E. Cook, R. Roragan, R. Salo, E. Rott, E. Reistrud, D. Young, M. Hunter.

## Hockey

HOCKEY was an outstanding feature in the fall sports for all those girls interested in athletics. About fifty girls reported at meetings to make it all the more interesting. Teams were organized as Sophomore and Freshmen, and games were played each Monday afternoon, the regular day designated. After the Freshmen learned the game, some keen competition was offered the Sophomores resulting in many interesting games.

At the end of the term players were chosen for the Sophomore and Freshmen first and second teams by Miss Frick and Miss McKellar and the hockey captain, Annabelle Criser. Players making the first teams but not appearing in the above picture were: Sophomores—I. Lehman, M. Fritzell, C. Miller, J. Gibb, and K. Hazen; Freshmen—E. Hiler, O. Hendrickson, and A. Hermodson.

*Sophomore Team (top picture):* A. Dyer, A. Criser, I. Lehman, E. Bestick, A. Gibb, E. Bredlie.  
*Freshman Team (bottom picture):* D. Stark, A. Hermodson, I. Bakke, D. Hoag, R. Roragan, R. Salo, E. Rott, E. Reisrud, S. Glass, M. Hunter.

## Soccer

**S**OCCKER played an important part in women's athletics during the fall quarter. This was largely due to the fine support of the girls taking part and to favorable weather conditions. Sophomore and Freshmen teams were organized, and they played each Thursday afternoon. Competition was keen at times, and some valuable material was offered in the Freshman ranks.

Under the direction of Echo Lodgard as soccer captain, the Sophomore and Freshmen first and second teams were chosen. Members making the first team but not appearing in the above pictures were: Sophomores—E. Ludwig, J. Roholt, J. Gibb, V. Nelson, K. Hazen, and H. Hokanson; Freshmen—R. Roragan and O. Gabrielson.

*Varsity Team (top picture):* D. Andrist, A. Dyer, A. Criser, E. Root, L. Maland.  
*Sophomore and Freshmen Teams (bottom picture):*  
*Top row:* K. Feyereisen, A. Jensen, R. Narveson, G. Bakken, S. Morrill, D. Hoag.  
*Bottom row:* W. Streed, A. Gibb, I. Lehman, R. McMillan, M. Hunter.

## Basketball

**I**N response to the call to arms this winter, more than fifty girls turned out. Seven teams were organized with the following captains: Mary Hunter, Betty Bestick, Ruth Aamodt, Mabel Brodin, Ruth Salo, Mabel Baker, and Ruth Volkerding. An elimination tournament was played, the games of which were on the whole close and interesting. The scores of the first round were: Volkerding 9, High School 8; Bestick 18, Aamodt 4; Brodin 21, Salo 1; and Baker 8, Hunter 6. Those of the second round were: Volkerding 12, Bestick 11; Brodin 15, Baker 8; and Bestick 18, Baker 18.

The finish of the tournament was marked by an exceptionally fast game between Ruth Volkerding's and Mabel Brodin's teams. At the sound of the final whistle the score stood 23—18 with Volkerding's "Out of the Dorm" team holding the long end of the score, and likewise the tournament championship.

The line-up of the winning team was Laura Maland, Evelyn Hall, Mervyl Mellon, Dorothy Hoag, Katherine Feyereisen, Ruth Volkerding, and Leora The-din.

Under the direction of Ruth Roragan as basketball captain, Freshman and Sophomore first teams and a varsity team were chosen at the close of the season. Their pictures appear above.

Left—Miss Frick.  
Upper left—Quarts.  
Lower left—Track.

Right—Miss McKellar.  
Upper right—Tennis.  
Lower right—Baseball.

## Spring Sports

**I**N the spring term archer, quarts, baseball, tennis, and track made up the sports of the greatest importance. Each of these were played on their designated day. Baseball offered the greatest attraction, and at most any time during the day could we find our fair co-eds on the diamond. Swing that ball in!

Captains elected were—baseball, D. Hoag; tennis, E. Bestick; archery, R. McMillan; and quarts and track, M. Hunter. Various teams were organized in each sport, which offered some keen competition at times.

The finals in all the sports will be played on Swing Out Day, June 1. First teams will then be chosen for the awarding of honors in the point system of the Women's Athletic League.

**T**O the Viking the slaying of a dragon was the crowning achievement of heroes, for they felt that the dragon represented the power of evil, and the guardian of hoards, the greedy withholder of good things from men. It was an animal which inspired terror in their hearts, and great was the man who had overcome one, thus improving the lot of man.

The dragon on the prow of the boat of these sea faring people symbolizes power and aggressiveness, qualities prized in their leaders. So with them, as with the primitive peoples, the dragon became the symbol of leadership.

# Organizations

Top row: O. Thompson, H. Chamberlain, R. Hundebly, H. Lincoln, C. Gludt.  
Bottom row: L. Davis, G. Grina, Dr. Archer, J. Ingersoll, I. Mickelson.

## The Student Commission

JOHN INGERSOLL	-	-	-	President
HELEN CHAMBERLAIN	-	-	-	Secretary-Treasurer
IRWIN MICKELSON	-	-	-	Athletics
HELEN LINCOLN	-	-	-	Educational Clubs
LYMAN DAVIS	-	-	-	Forensics
OSCAR THOMPSON	-	-	-	Music
CLARENCE GLUDT	-	-	-	Publicity
RUTH HUNDEBY	-	-	-	Religious Groups
GORDON GRINA	-	-	-	Social
DR. C. P. ARCHER	-	-	-	Faculty Adviser

THE Student Commission was established to uphold standards and ideals for all College student activities, to organize student-opinion, to develop and maintain desirable College traditions, and to make all extra-curricular activities serve useful purposes in the life of the institution and of the student body.

Homecoming is becoming a more important event each year under the guidance of the Commission. This year an All-College Tag Day was held to provide funds to replace the banners, pennants, and general Homecoming equipment destroyed by the fire. A printed pamphlet of announcements was sent to eleven hundred alumni. The election of the queen, broadcasting of the pep fest and game, the parade and the annual banquet and dance were all in the hands of the Commission.

Another interesting project of the Commission was sponsoring the sending of delegates to the Model League of Nation's Assembly at Macalaster College.

The Student Commission acts through committees, of which each commissioner is a chairman.

Top row: J. Ingersoll, Mr. Christensen, Mr. Schwendeman, I. Mickelson.  
Bottom row: W. Bailey, Miss Hayes, C. Gilpin.

## Activity Fee Committee

### COMMITTEE PERSONNEL

MISS HAYES	-	-	-	-	-	Faculty Representative
MR. CHRISTENSEN	-	-	-	-	-	Faculty Representative
MR. SCHWENDEMAN	-	-	-	-	-	Faculty Representative
JOHN INGERSOLL	-	-	-	-	-	President of Student Commission
ARTHUR SIMSON	-	-	-	-	-	President of Senior Class
CHESTER GILPIN	-	-	-	-	-	President of Junior Class
WILLIAM ROBINSON	-	-	-	-	-	President of Sophomore Class
WILBUR BAILEY	-	-	-	-	-	President of Freshman Class

THE Student Activity Fee Committee attends to the apportioning of funds for all College activities. Two of the faculty members are chosen by the faculty and one is elected by the student body. The other committee members are the President of the Student Commission and the four class Presidents.

The major accomplishments of the committee this year have been the successful apportioning of activity fee money for the various Lyceum programs; Orchestra and Band; Chapel Choir; Radio Girls; Girls' Glee Club, and Double Male Quartet; Arts Festival; athletics for men and women; Student Commission; the Class Play and other dramatic productions; Debate; social functions of an all-College nature; for part of the expense of assembly speakers; and for the Praeceptor, College year book, and MiSTiC, College newspaper.

Each student pays the activity fee when he enrolls and he is given a ticket which entitles him to each of the various programs and privileges listed above.

Top row: C. Kron, B. Edmondson, B. Oman, H. Doty, L. Askegaard.  
Bottom row: E. Nelson, H. Lincoln, H. Brisbane.

## Y. W. C. A.

### OFFICERS

HELEN LINCOLN	-	-	-	President
VIVIAN NELSON	-	-	-	Secretary
BERNICE OMAN	-	-	-	Treasurer
LUCIA ASKEGAARD	-	-	-	Program Chairman
HAZEL DOTY	-	-	-	Finance Chairman
KATHERINE KRON	-	-	-	Membership Chairman
BEATRICE EDMONDSON	-	-	-	Publicity Chairman

THE purpose of this group is to realize full and creative life through a growing knowledge of God, and in order to realize this new life, the organization endeavors to encourage and develop the spiritual side of the student's life and to offer opportunities that will result in new contacts among people.

Through the "Big Sister" movement of this group, the Freshman girls soon found themselves established in the ways and traditions of the school. The "Ask Me" committee met trains, and working with the Y. M. C. A. held a "Get Acquainted Party" the first week of school.

The spiritual life of the organization centers around weekly devotional meetings, while socially the organization has a definite part in its curriculum for parties, picnics and other informal gatherings.

Top row: H. Krajeck, C. Gludt, A. Duffy, A. Gludt.  
 Second row: M. Baker, N. Malloy, F. Rossmeist, E. Hiland, J. Lindstrom, L. Burns, A. Cardinal, A. Walcher, M. Deutschman.

 Bottom row: Mr. Schwendeman, P. Hewitt, Miss McCarten, F. Renner, M. Krier, F. Sherack, R. Simonitsch.

## Newman Club

### OFFICERS

FLORENCE RENNER	-	-	-	President
PATRICK HEWITT	-	-	-	Vice-President
MARGARET DEUTSCHMAN	-	-	-	Secretary-Treasurer
MR. SCHWENDEMAN	-	-	-	Faculty Adviser
REV. FATHER LAMBERT WECKWORTH	-	-	-	Chaplain

THE Newman Club makes its initial appearance in this year's Praeceptor, having been organized on the campus October 9, 1930.

The purpose of the organization is to further the development of the religious, social, and intellectual life of its members through study and discussion and occasionally, through outside contributions.

All Catholic students and faculty members of the college are eligible for membership, as well as alumni. The club meets the second and fourth Thursdays of each month. Beside the activities connected with the regular meetings, at least one social affair is arranged during each school term. During the fall term the Club had a Communion Breakfast.

Beside the regular officers, there is an executive committee made up of three members appointed to serve for one term with the officers. This committee arranges the programs and the other social events.

Top row: L. Murray, F. Nemzek, L. Bringgold, R. Lyttleton.  
 Middle row: M. Cronin, N. Maland, F. Enander, M. Dunham, H. Chamberlain.  
 Bottom row: I. Carlson, R. Simonitsch, Miss Tainter, L. Davis, V. Dixon.

## Alpha Psi Omega

### Alpha Eta Cast

### NATIONAL DRAMATIC FRATERNITY

### OFFICERS

RAYMOND SIMONITSCH	-	-	-	Cast President
LYMAN DAVIS	-	-	-	Vice-President
VIOLA DIXON	-	-	-	Secretary-Treasurer
MISS TAINTER	-	-	-	Cast Director

ALPHA ETA CAST of Alpha Psi Omega, national dramatic fraternity, was organized with thirteen charter members, May 14, 1927. To date, Miss Tainter has been its Cast Director.

The purpose of Alpha Psi Omega is to encourage dramatic talent and to stimulate interest in the best type of drama. On November 22, 1930, the fraternity presented "Tilly of Bloomsbury," a comedy by Ian Hay. This was its first dramatic offering as an organization.

Miss Hayes and Mrs. O. J. Hagen were made members June 1, 1929 and Miss Dahl was admitted as an honorary member December 22, 1930.

Each year a formal reception and dance is held for members and their guests. New members initiated the past year are:

LOUISE MURRAY	REUBEN PARSON
LYMAN BRINGGOLD	

Top row: H. Lincoln, A. Peterson, H. Hokanson, M. Carlson, E. Larson, G. Mostue, V. Dixon.  
Bottom row: Mr. Murray, Miss Holmquist, Mrs. Kise, Miss Hayes, R. Hundebly, C. Gludd.

## Sigma Tau Delta

Mu Gamma Chapter

NATIONAL ENGLISH FRATERNITY

### OFFICERS

MRS. AGNES KISE	-	-	-	President
HELEN LINCOLN	-	-	-	Vice-President
MAMIE CARLSON	-	-	-	Secretary
ALMA PETERSON	-	-	-	Treasurer
MISS HAYES	-	-	-	Faculty Adviser

**M**U GAMMA Chapter of Sigma Tau Delta, national honorary English fraternity was installed at the Moorhead State Teachers College on March 7, 1931.

Only degree students majoring in English are eligible for membership in the fraternity, and such people must meet further requirements before they can become members of Sigma Tau Delta.

The chapter constitution was drawn up by Ruth Hundebly, Clarence Gludd and Mr. Murray, and was adopted only recently after revisions had been made.

The colors of the fraternity are red and black, and the flower is the red rose.

Five active members—Lucia Askegaard, Edith Wagner, Raymond Simonitsch, Dorothy Fetvedt, and Donald Bird—were pledged to the fraternity in the spring term. At the same time Miss Solem as a faculty member and Louise Murray, Elvira Townsend, and Reuben Parson as associate members were also pledged.

Top row: L. Murray, A. Peterson, H. Hokanson, Miss Evenson, A. J. Kise, M. Riste  
Bottom row: M. Carlson, Miss Bieri, Dr. Archer, Miss Lommen, A. Duffy, R. Hundebly.

## Kappa Delta Pi

GAMMA GAMMA CHAPTER

National Educational Fraternity

**K**APPA DELTA PI is the second national fraternity to be installed on the campus within a period of three months, the other one being Sigma Tau Delta, national English Fraternity. Kappa Delta Pi is an honorary Education fraternity to which only degree students of the upper quartile are eligible for membership.

Dr. Archer, Mr. Christensen, President MacLean, and Mr. Sande were taken in as faculty members on May 1, when the local chapter was installed. Miss Lommen and Miss Bieri are members of the chapter at Columbia University.

Two other colleges were granted charters at the same time the Teachers College was given theirs, one chapter being at the North Dakota State College in Fargo, and the other at a college in Trenton, New Jersey. The local chapter at the Teachers College was installed first, however, so was given the title of Gamma Gamma.

The purpose of Kappa Delta Pi is "to encourage in its members a higher degree of consecration to social service by fostering the high professional and scholarship standards during a period of preparation for teaching and recognizing outstanding service in the field of education."

## Lambda Phi Sigma

Alpha Chapter

HONORARY EDUCATIONAL FRATERNITY

### OFFICERS

AGNES DUFFY	-	-	-	-	President
AGNES KISE	-	-	-	-	Vice-President
LOUISE MURRAY	-	-	-	-	Corresponding Secretary
ALMA PETERSON	-	-	-	-	Recording Secretary
MARIE RISTE	-	-	-	-	Keeper of Records
CLARA MALVEY	-	-	-	-	Treasurer
MISS ELLA HAWKINSON	} - Faculty Advisers				
MISS GEORGINA LOMMEN					

IT is the purpose of Lambda Phi Sigma to provide recognition for superior scholarship, to encourage constant professional growth, and to develop leadership.

Duly enrolled students carrying at least twelve hours of work may be elected active members by the fraternity upon recommendation of the faculty committee, such recommendation to be based upon the following considerations:

1. An average of at least "B" in all subjects earned at this college.
2. An average of "B" or above in at least three educational subjects.
3. Unusual promise of teaching ability as evidenced by ratings of the supervisors of student teaching in this college.
4. Social intelligence.
5. Marked professional attitude.

The organization was founded in 1924 by Emma S. Erickson, C. P. Archer, Ella Hawkinson, and Bertha Goetchiu. There are now approximately 300 members.

Regular meetings are held in the College High School on the first and third Tuesdays of each month. At these meetings business matters are transacted and professional and other topics are discussed.

Election of new members takes place during the eighth week of each term, and the initiations occur about two weeks later. This event consists of an initiation ceremony followed by a banquet.

The following students have been elected since the 1930 Praeceptor:

SUMMER 1930		DOROTHY HOEL	
HELEN CHISHOLM		CHARLOTTE MATTSON	
K. ELIZABETH ANDERSON		ETHEL NELSON	
THORA OIEN			
DELLA MERGENTHAL		WINTER 1931	
ANNA MOE		REUBEN PARSON	
MAY LIDSTROM		ALICE NESVOLD	
H. J. EININGER		HELEN CHAMBERLAIN	
DANIEL PRESTON		MARGARET FLEMING	
		MARTHA HERMAN	
FALL 1930		ELLA VELO	
RUTH HUNDEBY		ALMA WELO	
ELIANOR SHERMAN			

Top row: L. Hanson, H. Hogenson, D. Waite, F. Olson, M. Baker, E. Gustafson, L. Satre.  
Second row: E. Plummer, C. Burud, F. Hayden, E. Rott, S. Johnson, T. Langhus, M. Bjorgo, E. Lehse.  
Third row: G. Forsness, W. Zimbrick, D. Leathart, D. Young, R. Salo, V. Anderson, E. Juveland, B. Evje, E. Bredlie.  
Bottom row: A. Wedul, G. Jorgenson, O. Hendrickson, L. Johnson, Miss Bieri, D. Stark, A. Hermodson, M. Reisrud, A. Sorenson.

## Country Life Club

### OFFICERS

LUCILLE JOHNSON	-	-	-	President
ELDA LEWIS	-	-	-	Vice-President
AMY HERMODSON	-	-	-	Secretary
DAGNY STARK	-	-	-	Treasurer
EVELYN PLUMMER	-	-	-	Reporter

THE Country Life Club came into existence at this institution in 1914, and it now is one of the largest and most versatile groups on the campus. It was organized for the following purposes:

1. To stimulate an interest in rural problems and education.
2. To bring before prospective rural teachers those people of our state and elsewhere who are devoting their time to the important phases of rural life.
3. To give to its members an opportunity to meet in a social way the other students with whom they have common interests.

All persons of the faculty and student body interested in rural conditions are eligible to join.

Meetings are held bi-weekly on the first and third Wednesdays of each month. One meeting is social in nature, and the other consists of a program and a business meeting. The annual party of the Club was held in February, and as is customary, the annual spring picnic was held in May.

Top row: A. Gludt, D. Bird, C. Gludt, W. Cocking.  
Middle row: A. Peterson, V. Dixon, H. Hokenson, C. Mattson, R. Hundebly, D. Hoel, R. Simonitsch.  
Bottom row: E. Larson, D. Riebhoff, E. Ludwig, L. Askegaard, H. Chamberlain, E. Townsend.

## Althaia

### HONORARY LITERARY SOCIETY

#### OFFICERS

LUCIA ASKEGAARD	-	-	-	President
EVA LARSON	-	-	-	Vice-President
EDITH WAGNER	-	-	-	Secretary
ALBERT GLUDT	-	-	-	Treasurer
MISS HOLMQUIST	-	-	-	Faculty Adviser

**A**LTHAIA Literary Society was formed in 1923 for the purposes of studying literature, and for advancing the literature interests of M. S. T. C.

Any Sophomore who has received a "B" average in Freshman English and an "A" in an advanced English course is eligible for membership in Althaia.

At the meetings of the society, which are held once a month, the following programs have been carried out:

Greenwich Village  
Around the Kitchen Stove  
An Salon de Madam d'Hite  
A Trip to Little Italy  
Modern Bohemia  
Local Color

Miss Lyl Solem is a faculty member of Althaia.

Top row: A. Peterson, E. Krabbenhoft, M. Riste, I. Larson, E. Ogren, Mrs. Archer, A. Cardinal.  
Middle row: A. Braaten, A. Duffy, Miss McCarten, H. Hokanson, C. Giles, G. Beck.

## Art Club

### HONORARY AND PROFESSIONAL

#### OFFICERS

AGNES DUFFY	-	-	-	President
FLORENCE RENNER	-	-	-	Vice-President
ANNA BRAATEN	-	-	-	Secretary-Treasurer
CHARLOTTE GILES	-	-	-	Reporter
MISS MCCARTEN	-	-	-	Faculty Adviser

**T**HE Art Club of M. S. T. C. was organized in February 1921 for the purpose of furthering the art work of the school. The Club strives to bring its members, as well as other students, into contact with beauty in its many diverse forms. Consequently, art exhibits and art lectures of various kinds are arranged by the Club, and are held at various times during the year. The Art Club, by virtue of its membership in the American Federation of Arts, receives the American Magazine of Art each month.

During the past year, Miss McCarten has favored the Club with two very interesting and instructive lectures on her European tour. One dealt with Venice and the other with Florence, Italy.

It has become a tradition of the Art Club to sponsor a tea and an art exhibit of student talent during the annual Spring Arts Festival held on the campus. It is also an object of the Club to leave a memorial with the school each year. Any student who has received an "A" grade in a fine arts course of the school is eligible for membership in the Club.

Top row: D. Dunn, E. Eininger, L. Davis, V. Dixon, E. Cook.  
Middle row: N. Maland, G. Rustand, D. Ingram, R. Simonitsch, C. Smith, D. Sorknes.  
Bottom row: L. Murray, D. Peterson, Miss Tainter, R. Sherwood, H. Chamberlain.

## Dramatic Club

### HONORARY DRAMATIC

#### OFFICERS

RUTH SHERWOOD	-	-	-	-	-	President
DELIA PETERSON	-	-	-	-	-	Vice-President
RAYMOND SIMONITSCH	-	-	-	-	-	Secretary-Treasurer
MISS TAINTER	-	-	-	-	-	Faculty Adviser

THE DRAMATIC CLUB was organized in the fall of 1923, and since that time it has been active in presenting dramatic productions. In the spring of 1930 a new constitution, constructed to meet changed conditions concurrent with the expansion of M. S. T. C., was adopted.

In the Homecoming Parade last fall, the Dramatic Club won the prize for the most representative float. The Witch scene from "Macbeth" was depicted.

Membership may be gained by earning a grade of "A" in Reading and Speech or by a noteworthy performance in dramatic work. A mid-year initiation, followed by a dance, was held January 17. Another dance was given for members and their guests in the late spring. During the spring term, also, members of the Club appeared in several one-act plays which were presented at chapel.

Miss Dahl and Miss Lumley are honorary members.

Top row: W. Streed, A. Brackley, M. Deutschman, D. Jorgenson, G. Rustand, B. Oman, O. Cardinal, G. Turnblad.  
Middle row: I. Barton, D. Riebhoff, M. Stinson, H. Brisbane, H. Green, M. Endreson.  
Bottom row: D. Knudson, E. Bruggeman, D. Peterson, Mrs. Durboraw, R. Aamodt, C. Huse, B. Edmondson.

## Kappa Pi

### KINDERGARTEN-PRIMARY SOCIETY

#### OFFICERS

CLARABELLE HUSE	-	-	-	-	President
BEATRICE EDMONDSON	-	-	-	-	Vice-President
RUTH AAMODT	-	-	-	-	Secretary
DELIA PETERSON	-	-	-	-	Treasurer

SEVEN years ago a group of kindergarten and primary girls met to form a professional organization for students registered in those two departments. This organization was later perfected as the Kappa Pi Club.

Kappa Pi recognizes the unity of the psychological needs of kindergarten-primary children. The main purpose of the Club is to bring about a better understanding among teachers of these children, so that they may be better able to meet those needs whenever they arise.

Membership in Kappa Pi is limited to thirty girls. New members are chosen from students of definite scholastic standing who are registered in the kindergarten or primary departments. In addition to the regular business meetings, other gatherings of a social nature are held throughout the year.

Every year the members of Kappa Pi contribute a worthwhile gift to the kindergarten or primary rooms of the training school.

Top row: E. Heimann, H. Hogenson, C. Mattson, M. Brodin, A. Bjornson, L. Johnson.  
 Second row: E. Velo, H. Doty, L. Buehl, D. Erlandson, L. Christianson, B. Lund, L. Olson, L. Hanson, E. Juveland.

### Pi Delta Sigma INTERMEDIATE SOCIETY

#### OFFICERS

HAZEL HOGENSON	-	-	-	-	President
ALICE BAILEY	-	-	-	-	Vice-President
CHARLOTTE MATTSON	-				Secretary-Treasurer

PI DELTA SIGMA is an organization to which all students who have taught in the intermediate department are eligible. Its aims are: To provide for continued contacts with the intermediate department, to stimulate opportunity for professional growth and service, and to further the development of good fellowship and continuous friendships.

Meetings are held once a month and are supplemented by teas, parties and luncheons. One of the parties given by the organization was in the form of a Hard Time Party. Everybody dressed and acted accordingly. Another feature of this year's activities was the Homecoming luncheon, at which the new members were initiated.

The Pi Delta Sigma flower is the yellow rose and the keyword of the society is Progress. The society, of course, tries to carry out the aims expressed in the keyword, both professionally and socially.

Miss Lommen is an honorary member of Pi Delta Sigma. Faculty members and advisers are Miss Loudon, Miss Carlson, Miss Sorknes, and Miss Evenson.

Top row: J. Lind, C. Gludt, A. Wedul, A. Braaten, E. Sherman, A. Duffy, J. Roholt, D. Hoel, E. Lodgard.

### Nancio Club PROFESSIONAL UPPER GRADE FRATERNITY

#### OFFICERS

AGNES GIBB	-	-	-	-	President
ANNA BRAATEN	-	-	-	-	Vice-President
EDITH SWANSON	-	-	-	-	Secretary-Treasurer

NANCIO was organized during the fall of 1929 with the following aims:  
 (1) To unify the High School by participation beyond one department;  
 (2) To enlarge the scope of experience; (3) To give an opportunity for acquaintance with a group of teachers in the same field; (4) To give enrichment and assistance in the development of the College High School; and (5) To stimulate the interest in the degree course of the College.

Students become members of the Nancio Club when engaged in their unit of student teaching in the College High School. Such students may remain members throughout their college career.

The educational meetings held every two weeks are in the forms of talks, reports, and demonstrations within the department.

The insignia of the Club was chosen in accordance with the name—"to obtain knowledge." It consists of a torch—representing the light of education, with a scroll upon it—signifying the book of knowledge.

Faculty members of Nancio are Miss Lommen, Miss Hawkinson, Miss Heston, Miss Solem, and Mr. Parsons.

Top row: E. Lodgard, R. Hundefy, A. Rustvold, E. Gunderson, V. Dixon, M. Riste.  
Bottom row: J. Lindstrom, D. Dunn, Martha Myhr, Miss Fitz Maurice, S. Chaffee, A. DuBois, L. Askegaard.

## Jeanne D'Arc FRENCH CLUB

### OFFICERS

SARAH CHAFFEE	-	-	-	President
VIOLA DIXON	-	-	-	Social Secretary
MISS FITZ MAURICE	-	-	-	Faculty Adviser

AN organization for the students interested in the furtherance of the study of French, the Jeanne d'Arc Club aims to help students of this language to learn conversational French and something of the life and customs of the French people.

The President of the Club as Jeanne d'Arc burning at the stake, proved herself to be of heroic mould, for during the whole Homecoming Parade, she patiently expired in the smudge.

Lighter activities of the Club include gatherings where French games, songs, and plays are featured. Miss Fitz Maurice, the sponsor of the group, is often the hostess. She spent the past summer abroad studying at the Sorbonne, University of Paris, and her own personal contacts with the French people as related to the Club have been very interesting.

Students who have completed one year of French with at least a "B" average, and also those taking an advanced course are eligible for membership in the club.

Top row: W. Schultz, M. Riste, F. Renner, E. Lodgard, M. Lundeen, E. Eaton.  
Bottom row: A. Duffy, Mr. Schwendeman, W. Stevenson, J. Lind, P. Rosel, A. Braaten.

## Geography Council HONORARY GEOGRAPHY

### OFFICERS

REUBEN PARSON	-	-	-	President
MARIE RISTE	-	-	-	Vice-President
FLORENCE RENNER	-	-	-	Secretary-Treasurer
MR. SCHWENDEMAN	-	-	-	Faculty Adviser

THE Geography Council was organized in 1929 for the purpose of developing increased interest in Geography, and to permit advanced students interested in this branch of education to partake of the benefits to be derived from the Council in extending the usefulness of the Geography department, through lectures, educational films, and field study projects.

The meetings of the Council are held bi-weekly. A social event is held each term at the home of some member of the Council for the purpose of initiating new members.

The Council has brought to the College one educational film each quarter. The last film included the "Masai," "A Bit of Life in Java," and "The Battaks of Sumatra." Interesting Geography exhibits are likewise brought to the College by the Council.

Last year the Geography department sponsored an Eastern tour, and this summer the Council is anticipating an extensive western tour. As yet, this phase of the work of the department is under the sole management of the head of the department, and although the Council has given splendid cooperation and individual management, it has not yet undertaken any directive or initiative part in planning these tours. It is very probable, however, that this matter will be turned over to the Council.

Top row: H. Lincoln, A. Carlson, G. Tack.  
Middle row: E. Hall, E. Cook, E. Pierce, A. Grina, D. Sorknes.  
Bottom row: G. Mostue, H. Pederson, Miss Heston, I. Larson, M. Graves.

## Alpha Theta Xi

### WOMEN'S LITERARY SOCIETY

#### OFFICERS

IONE LARSON	-	-	-	-	President
HARRIET PEDERSON	-	-	-	-	Vice-President
LUCILLE MAYER	-	-	-	-	Secretary
AVIS CARLSON	-	-	-	-	Treasurer
MISS HESTON	-	-	-	-	Faculty Adviser

ALPHA THETA XI was organized in the fall of 1929 with nine charter members. Regular meetings are held every two weeks, at which times the society carries out an active program of open discussions, dramatics, extemporaneous speaking, and music.

Alpha Theta Xi was a successful participant in the intersociety contest held last spring, winning first place with the play, "Mrs. Pat and the Law," under the direction of Miss Heston. The society won first honors also in the field of humorous readings.

The society was well represented by a float in the Homecoming Parade. It has been represented by its members in chapel programs throughout the past year.

Top row: D. Hoel, D. Andrist, E. Larson, M. Krier, E. Hiland, H. Brisbane.  
Middle row: R. McMillan, E. Hiler, E. Gunderson, A. Gibb, E. Arsneau, Charlotte Smith, D. Leathart.  
Bottom row: N. Maland, H. Chamberlain, D. Peterson, Miss Fitzmaurice, M. Neill, D. Riebhoff, L. Maland.

## Delta Mu

### WOMEN'S LITERARY SOCIETY

#### OFFICERS

DELIA PETERSON	-	-	-	-	President
DOROTHY RIEBHOFF	-	-	-	-	Secretary-Treasurer
MISS FITZMAURICE	-	-	-	-	Faculty Adviser

MEMBERSHIP in Delta Mu, which is a comparatively new organization, having been installed on the campus in the fall of 1929, is limited to twenty-five women. New members are taken in each fall and winter and are chosen on the basis of literary or dramatic ability.

The activities of Delta Mu are divided into three groups; debate, declamation, and dramatics, the latter being in the form of one-act plays. The members are divided among these three activities, and at society meetings which are held every two weeks, one of the groups has charge of the affairs. In this way each group has a chance to display its ability once every six weeks.

It has been a tradition to have an intersociety contest each spring, in which all the literary societies participate. In the spring contest of 1930, Delta Mu won second in dramatics with its play "Will o' the Wisp," and first in debate.

Top row: H. Chamberlain, R. McMillan, K. Hazen, M. Graves, H. Brisbane, E. Bestick, E. Peterson, R. Marr, A. Du Bois.  
Bottom row: S. Syvertson, A. Grina, G. Jorgenson, B. Kravick, G. Tack, O. Vogel, Miss Carlson.

## Gamma Nu SOCIAL SORORITY

### OFFICERS

ADEL GRINA	-	-	-	-	President
GLADYS CASEY	-	-	-	-	Vice-President
MILDRED GRAVES	-	-	-	-	Recording Secretary
HELEN CHAMBERLAIN	-	-	-	-	Corresponding Secretary
CHARLOTTE RUSTVOLD	-	-	-	-	Treasurer
MISS CARLSON	-	-	-	-	Directress

ONE of the purposes of Gamma Nu is to secure and sustain a broader conception of social obligations, and in addition to carrying out this aim in its own social functions, the sorority has contributed to the success of College functions throughout the year.

It is customary for the Pi Mu Phi and the Gamma Nu sororities to entertain at an inter-sorority tea each fall.

At homecoming, the Gamma Nu reunion is marked by a jubilant breakfast, held this year at the home of Mrs. D. L. Preston. Besides these activities, the social calender consists of a party each term, rushing activities, inter-sorority affairs, and the regular meetings held every two weeks. The social meetings are held at the homes of members, the nature of the meetings depending upon the hostess.

Faculty members of Gamma Nu are Mrs. Durboraw, Miss Leonard, and Miss Wenck.

Top row: M. Neill, C. Kron, M. Deutschman, A. Nelson, D. Andrist, M. Shaw, E. Pierce.  
Middle row: D. Sorknes, E. Hiler, R. Aamodt, O. Gabrielson, F. Powell, B. Robertson, M. Mace, S. Headland.  
Bottom row: J. Gibb, A. Brackley, L. Askegaard, Miss Williams, D. Hoel, A. Howard, H. Lincoln, A. Gibb.

## Pi Mu Phi SOCIAL SORORITY OFFICERS

LUCIA ASKEGAARD	-	-	-	-	President
DOROTHY HOEL	-	-	-	-	Vice-President
ADELPHIA BRACKLEY	-	-	-	-	Secretary
JEANNIE GIBB	-	-	-	-	Treasurer
MISS WILLIAMS	-	-	-	-	Faculty Adviser

THE Pi Mu Phi sorority celebrated its twenty-fifth anniversary in the spring of 1930. The social events included a formal dance, a reunion breakfast, a formal tea, a formal banquet and memorial service.

The informal party of the fall rushing season was held at the Thysell cottage on Lake Pelican. This function was followed by a dance, a tea, a slumber party at the Witches' Inn, and a formal progressive dinner.

The pledges were formally initiated on January 11 at the home of Mrs. O. J. Hagen.

Faculty members are Miss Loudon, Miss Frick, Miss McKellar, and Mrs. Goodsell. Mrs. A. M. Christensen is an honorary member. New members this year are:

DOROTHY ANDRIST	ELIZABETH HILER
MARGARET DEUTSCHMAN	AGNES NELSON
ORPHA GABRIELSON	FLORENCE POWELL
CATHERINE KRON	PEGGY SHAW
BARBARA ROBERTSON	DORIS SORKNES
SOLVEIG HEADLAND	

*Top row:* E. Eininger, W. Cocking, O. Nelson, W. Robinson, A. Simson, O. Thompson, C. Gludt, O. Richardson, H. Krejack.  
*Middle row:* H. Ruegemar, A. Gludt, J. Krejack, I. Mickelson, H. Booher, R. Ireland, J. Ingersoll, R. Christensen, E. Halonen.  
*Bottom row:* Mr. Nemzek, L. Davis, C. Gilpin, H. Berquist, G. Grina, Dr. Archer, Mr. Sande.

## The Owls

### SOCIAL FRATERNITY

**T**HE Old Order of Owls Fraternity exists for the purpose of providing opportunity for communion between kindred spirits among the men of M. S. T. C.

The organization was formed in the winter of 1901 by a group of Normal School boys of whom James D. Mason, now of Fertile, Minnesota, was the leader. The Silver Anniversary of the organization was celebrated at the Home Roost during the summer of 1926.

Any man in the college with a scholarship average of "C" is eligible for membership. If a name is submitted and it secures the unanimous vote of the active members of the Home Roost, an invitation is extended. If the invitation is accepted within three days, the candidate is entered as an "egg." The incubation period followed by the initiation and the conferring of the "First Degree" changes the candidate's status to that of a "Fledgling." If satisfactory progress is made in the acquisition of skill in hooting, the "Second Degree" is conferred. This transforms the Fledgling into a Plumed and Crested Owl."

Activities of the Fraternity include initiations, the Fall dance, Christmas banquet and dance, Second Degree Ceremonial and entertainment, and Summer Migration.

**F**ROM pagan times to the sixteenth century the dragon appeared on the English standard, symbolizing sovereignty.

*In many early tales and legends we read of the dragon—breathing flames, its scaly coat invulnerable to ordinary warriors. Among the best known of these legends is that of St. George, the patron saint of England, slaying the dragon.*

*As the standard bearer led the troops into battle holding high the ensign with its dragon, warrior incarnate, it well symbolized the conquering army following in its wake. Even the Crusader, going forth to the holy war, used the dragon on banner and shield, for it represented the conqueror.*

# College Life

## The Calendar as She Should Be Writ

- September 10—The Sophomore class showed that they are the real guardian angels of the Freshmen by ordering them to wear green caps. Optimists advised buying the caps large enough to give room for a prospective lump of knowledge, but early reports from instructors indicated that this would be pure folly.
- September 12—The first MiSTiC of the term made its appearance. D. Bird disappeared mysteriously as lynching propaganda spread.
- September 13—The faculty almost went back to nature at their annual picnic at Lake Pelican. Preston and Sande were lost, but were fortunately (?) found again.
- September 19—Townsend became Praeceptor editor for 1931.
- September 20—Lockers entered M. S. T. C.'s doors amid loud acclaim after a journey rivalling those of Ulysses and Robinson Crusoe. It was predicted that if the keys came as rapidly as the lockers did, we would be able to use the lockers inside of a few years.
- September 27—The Dragons squelched Bemidji 33—0 with Hub Nelson, tackle, leading the scoring (believe it or not). Bill Robinson proved his vulnerability by spraining his ankle.
- October 11—Spectators neared hysterics as the Dragons and Cobbers played to a scoreless tie. Morris Fritz and Dick Lowry vied for individual honors with George Anderson and Bill Robinson.
- October 11—Peace loving students packed trunks after the New Dragon orchestra made a successful debut as one of the school's disharmonizers at the All-School party.
- October 17—With the disqualification of Johnny Lind and Johnny Ingersoll, Evelyn Pierce was elected Dragon Queen.
- October 20—Dutch Eininger attended Canon Fellowes' lecture to see whether he would arrive in an armored car. He was disappointed when he didn't even have a gun carriage.
- November 8—Old school "marms" and "masters," alumni of "Moorhead Normal," returned to their old haunts for an excuse to cut loose once more. Fargo risked health, safety, and happiness to view Homecoming parade. The Jimmies obliged by donating a football game.
- November 11—Errington urged the students to "laugh off" wars in Armistice Day talk. However, the National Guard's attempt to put the theory in practice at the next drill met with no brilliant results.
- December 5—Christensen claimed that a psychology student had no supporters. Bridges declared war on anyone intending to take history; threatened drowning.

December 6—A Dragon basketball team with Chet Gilpin as coach, contrived to take the A. C. cagers. Some one suggested that we make Buzz Robinson coach and play the U. of Minnesota, or make Eddie Halonen fullback and "clean" Notre Dame.

December 9—Recruits filled the gap in the debate squad as the casualties rose. They began to draft women; the men couldn't stand the gaff.

December 12—Hub Nelson's visage adorned the front page of a paper called the MiSTiC. They said he'd been elected football captain for 1931! Do tell!

December 18—Preston and Wenck let loose their charges on the chapel stage. No riot call issued this year.

December 19—Whoopee! Peace and quiet reign. Like election day in Chicago!

January 6—Faculty members miraculously appeared from the four corners of the earth with a new bunch of fish stories, bored expressions, and an average of eleven and three-fourths pounds in weight more than before Christmas.

January 10—Cobbers took the first game despite efforts of the Band and Bill Robinson.

January 12—The Oyloe Studio begins to take group pictures for the 1931 Praeceptor. Mr. Oyloe promises to buy a new camera—afterwards.

January 13—Free Traders debated Concordia, and Paul Anderson gave a lovely oration on the protective tariff.

January 14—Men students and faculty members vied for honors at a so-called "chicken dinner" and an old fashioned confab. Doc. Locke's chicken stew was rumored to be really mock chicken soup (the water used to boil eggs in) but with the faculty leading the onslaught, practically everything disappeared anyway (including the spoons).

January 17—Dragons and Cobbers went into one prolonged clinch, melee, or a wild and woolly basketball game, the crowd went crazy, M. S. T. C. went wild, Concordia went hysterical as the Dragons beat the Cobbers 22—20.

January 21—M. S. T. C. went almost as crazy as at a Clobber game when the state legislature rushed through the college \$800,000 appropriation bill and Governor Olson tacked on his John Henry to make it the law of the land. Even the administration got almost childish as the special assembly and Dan Preston and the Quartet extended condolences to ex-governor Christianson.

January 25—The good boys and girls at M. S. T. C. (about thirty of them) attended the first meeting of the Federated Young Peoples Class at the Moorhead Presbyterian Church.

January 26—Augsburg got cold feet after having been "took in" by the Cobbers. The Auggies wanted to play with only nice boys, so they went back to Minneapolis.

January 27—The Sophomore class met (one third of it almost) and Bill Robinson decided to have a party. "A good time will be had by all," said Bill.

January 28—Deep, dark, dark mystery faced Miss Frick in the shape of a three-fourths grown sheep tied to her locker when she entered the Exchange in the morning. We aren't sure whether Miss Frick adopted the sheep or the sheep adopted Miss Frick, but that's the situation.

February 4—Pittsburgh invaded the West; sold unemployment insurance to an M. S. T. C. audience guaranteeing everyone enough to eat for 13 days and then would let them starve. Gludt and Dokken refused to bite, but the listeners fell for it and gave Pittsburgh the decision.

February 5-6—Shades of Moorhead Normal School stalked the Dragon Campus as Clay County's rural "school-marm's" congregated in the exchange building. After listening in on Mr. Ballard's talk about the teacher's retirement bill, Monk Ireland was heard to remark, "Such talk; what the heck do they think this is anyway, a teacher's college?"

February 6—Miss Tainter gave the lead in "Giants in the Earth" to that eloquent "Scandihoovian," Raymond Simonitch. It is much easier for people to act natural, Miss Tainter explained as she selected Tonnie Davis, Louise Murray, Viola Dixon, Willabelle Wasson, and "Dutch" Eininger to play the parts of other sturdy Norse Pioneers.

February 6-7—The Delegation from the kingdom of Sweden to the Societe de Nationale, left for Macalester College. Johnny settled himself with the delegation from Panama, Gludt made himself at home with the Siamese, Socrates left in quest of Greek or Viking, but Editor Bird swore he was the Prime Minister from Sweden.

February 11—Renee Chemet did tricks with a violin, nearly got into a hair-pulling with her accompanist, and kept the Praeceptor photographer waiting five hours before she was ready to have her picture taken, and then it was so dark that the picture was a failure. Spicer and Chemet entertained an audience from the stage and the interviewers behind stage, but the Frenchwoman refused to let a flashlight picture be taken because the "Boom" makes her jump.

February 13—McCrary of Valley City blocked out Lien so effectively that the Dragon Center took a swan dive into the wall of the Armory and went down and out for the count. Bill Robinson got tired of playing around and proceeded to win another basketball game for M.S.T.C.

February 15—"Bird is elected Federated Head" said a MiSTiC headline. Closer inspection revealed that the fowl is a species of queer duck noted for its consistent noise-making.

February 16-18—Lumley, Bieri, Prexy, and Archer decided to give Detroit a break, so they left for the Auto City to attend N. E. A. The school actually kept on running; dormitory girls were tucked into bed at ten and the clocks in the halls kept moving from left to right.

February 21—Wives of faculty members provided the vital spark of inspiration as their husbands applied psychology, topography, English, diplomacy, and what not to the volley ball in conquering their fellow "knowledge dispensers" from Fargo High.

February 24—Sam Bridges fired the first barrage at the good burghers of Detroit Lakes and threatened to let loose nine more Arch Dragons before the course in American Civilization is finished. "I wonder if they will think we are civilized when they are through," says Easty.

February 25—"Sliv" Nemzek went over to Concordia and told them they had a nice basketball team this year and dropped the hint that he won a game from them. He was able to walk without crutches the next day.

February 27—Some not so dusty Ellendale "Dusties" gave the Dragons a scare, but Bill Robinson came back to win his first Interstate Basketball title.

February 28—The stately Norwegian matron, Viola Dixon, was so intensely moved by the vast solitude of the plains on the stage in Weld Hall that she was driven crazy by the tremendous emptiness about here (there were a thousand people in the audience, but she probably had an inner sight and saw the emptiness anyway). Amid her ravings she saw the face of the devil in the clouds. (Well, Johnny Lind was well to the front in the audience!)

March 11—Johnny Ingersoll sang his Swan Song, gave a last bit of advice to his faithful followers, and like Cincinnatus, went into retirement. "The Regime of Sizeable Foghorns" began as Hank Booher, Dutch Eininger, and Donald Bird were sworn in.

March 11—The Bell Telephone volley ball team proceeded to solve the formula, find the mean, discover the correct psychological solution or something of the sort. Anyway, they threw the Dragon Faculty for their first loss. By actual count 387 students at M. S. T. C. received flunk slips the next day and 54 Fargo telephone operators had their wages raised.

March 16—Miss Lerlowe Eastland received a second reminder to buy two dresses for \$25 in a Fargo Department store. Easty is seriously concerned as to whether he can afford to pass up the bargain or not.

March 17—Bill Robinson, Ornithologist De Luxe, brought in a screech owl in his cap, but both cap and bird soon disappeared, the bird turning up in a taxidermist show case, and the cap at the Bon Valet Cleaners.

March 18—Five prospective Graham McNamee's tried for Radio announcer for M.S.T.C. programs before an asbestos covered "Mike." Listeners showed their appreciation by sending in three votes in the announcer contest.

March 27—"Sliv" announced that Jack Chevigny of Notre Dame will coach coaches here next summer. "We teach teachers, instruct instructors, and Christy and Danny Preston direct directors at this institution, so I guess it's fair enough to have someone coach coaches," said he.

April 1—The M.S.T.C. Rogues' Gallery was elected; that is, the Hall of Fame it is called here, but there is no difference otherwise. Of course a rogues' gallery is much more exclusive, because you really have to do something bad to get into it, but you merely have to be notorious to get into our Hall of Fame. Look who's in it if you don't believe me!

April 2-3—The MiSTiC headline said, "Dragon Quartet Cops Third Place," but Twin City cops almost copped the quartet, according to reports, and so did a couple of blond waitresses. But miraculously the entire relay team returned without an escort either of a bride or an officer of the law.

April 7—Now the bright girls and boys at the College will have another pin to wear and another monthly meeting at which they can look, act, and feel unusually wise and superior. But now when we see Mamie Carlson, Alma Peterson, Hannah Hokanson, Ruth Hundebly and a few others in a huddle, how will we know whether they are to be addressed as Lambda Phi's, Sigma Tau Delta's or Kappa Delta Pi's. (I esk you, what can ve do?)

April 11, 12, 15—"Lay on MacDuff," said Christy when Ray Simonitch was all ready to open the 1931 Arts Festival with the bang on the drum that set the band loose and drove the individual with sensitive ear-drums to cover. The Choir showed the best judgment by giving their concert Sunday night and then leaving town early next morning until the rabid feeling calms down. Art Simson threw out his chest proudly, "I've outlasted four of 'em and I'm still in fair health," says he.

April 12—"Go west, young woman," said Schwendie, "and go in style." "And how!" added the geographer as he proudly displayed the bus that will be used on the extension tour during the coming summer.

April 13-18—Some wise guy will try to tell you that that last date, 18th, should be 17th, but as far back as I can remember, 2 A. M. has meant two o'clock in the morning and therefore the Choir returned Saturday morning. Anyway, between the above mentioned dates, students of M.S.T.C. were actually allowed life, liberty, and pursuit of happiness without any strings to it and the people living along the main traveled roads between Moorhead, Minnesota, and Des Moines, Iowa turned out to watch a traveling zoo pass.

(Continued on page 138)

### HOMECOMING

Is our queen happy? She ought to be with such handsome liveried attendants. The hard working farmer and farmerette of Country Life Club certainly have a colorful flower garden. "Trouble, trouble; cauldron bubble." Maybe the Dramatic Club thought it was a lot of trouble to arrange their float, but they certainly didn't bother about that after they won that prize. The Baby Dragons are very unique, and the Art Club float is certainly beautiful. All of the floats gain the smiling approbation of Aggie and Fritz, and King Homecoming's pages.

### THE BIG PARADE

While the knight of the Sophomore class conquers poverty and dirt, Jeanne d'Arc again becomes a martyr. Horses provide a different type of locomotion for the Gamma Nu and Pi Delta Sigma members of 1900. However, the Gam's of 1930 are much more modern in their choice of conveyance. The W. A. L. Dragon, which is of course the victor, marches slowly along. Althia provides ink for the literary societies. The Pi Mu Phi girls cast impish smiles at the curious onlookers, from their unique carriage.

### YELLOWSTONE TOUR

Snowball is the favorite pastime in Yellowstone Park during June. Even the dignified faculty members stoop to show their skill in this sport. While Al and Alibi and their mother watch these antics, some more Dragons have discovered the Dragon's Mouth. The Cody Road, the same as many others, has many beautiful scenes. It also gives cause for tire patching.

### THE EASTERN TOUR

The M. S. T. C. travelers look very official on the steps of the capitol. Mystery—Who is running for president? Christie must have aspirations of imitating the Statue of Liberty. Too many cooks spoil the broth; no wonder it took so long to patch the tire. The happy group at the bottom of the page believes in odd modes of transportation, not only the bus, but also the cable car crossing the Niagara River.

## CAMPUS STUFF

College doesn't seem to be such a bad place after all, except when you have to patch tires. Oh well, Art and Buzz don't seem to mind their job—much. Now you can see where the Hall of Fame or Rogue's Gallery ballots are. Smoke and no more. Eve and Viry seem to be rather amazed. Most of our students carry books or brief cases for pets, but Gronbeck prefers kittens. Maybe Johnny and Micky would have been more interested in looking this way if they had known what was behind them. Fritz likes to work on his car. It's so soothing to temperamental nerves.

## SCHOOL DAYS

Many modes of travel are used in arriving at your destination, but this is one of the most unique ways to enter college. After the arrival it is always the custom for the Freshie girls to venture out and look over the surroundings. When they get better acquainted and think that college is going to be a snap, the Exchange porch makes a good place to congregate. The group at the top of the page seem to be discussing the advisability of an education, but Hank has found an easier way to assimilate knowledge. And last but not least, whether in High School or College, it is a good plan to join the band.

## HERE AND THERE

Demure old-fashioned misses grace our page along with the more modern coed. The Band, Choir, and Radio Girls would make this a musical page, but the Owls spoil that. The Cobbers would certainly be drowned out if everybody yelled like Buzz does. The latest fashion notes reveal that scarfs are the thing for M. S. T. C. men. Three guesses as to what Christy likes to do. Only one needed—Loafing.

## ACTIVITY AND ACTIVITIES

After the solemn Lambda Phi's see this picture of Vic and Herbie, we know that the studious young gentlemen will be admitted to the brief case ranks. Monk is certainly a darling femme. Either the Pi's or the Gam's will surely rush him this spring. One thing is certain, either Erling grew or Ruth started descending on the choir trip. The Owls seem rather amazed at Bill. No wonder the male students at M. S. T. C. are increasing when Enid smiles like that.

#### GOOD EXAMPLES

are set by the faculty. Karl Parsons sets out on a vacation with a book in hand (perhaps a novel). But we know Mr. Murray's brief case is filled with themes or volley-ball togs, while Miss Wenck's music is plain to be seen. Evidently there are no books overdue at the library. We don't know what Mr. Kise is so startled about—he can't see that Hank is an involuntary member of the faculty. Perhaps that's what the three judges are checking up on (they evidently didn't see Alf). Minor matters like that don't seem to bother the rest though.

#### CHIPS OFF THE OLD BLOCKS

Who wouldn't believe that after he saw Bobby Sande's smile; and the Schwendeman and Murray kiddies all ready to travel even though their conveyances are but tri-cycles, kiddie cars and toy trucks. Stephen seems highly amused at his "papa's" attempt to photograph him, but with the rest of the Archerites regard the Praeceptor representative with more respect. The little Nemzek's have already turned their thoughts to athletics. Jane, Janice, Sammy, Margaret and Harris unite in upholding the family reputations for calm composure.

#### WOMEN ATHLETES

The so-called weaker sex in this college are certainly out for athletic events. The champion basket ball team at the top of the page, and the two tumbling teams are happy over their accomplishments. Quoits, horseshoe or barnyard golf is a prominent sport, judging from the ringer Mary is going to make. Tuffy plans to make a homer when she kicks that ball. All in all, they must enjoy it if smiles are an indication of happiness.

#### YEA DRAGONS

What would we do without the support of the Moorhead Police Force, ably represented by Sam Zenk? He and the anxious crowd along the sidelines seem mighty interested in the game. By Stiv's grin we gather that the Dragons must have beat the tar out of the Cobbers. By the smiles on the faces of the others, we could easily judge that the results were favorable for the Dragons. Bill knows how to advertise—football games. Over all is the Dragon, the symbol of our Alma Mater.

## Plans and Plates

IDEAS like airships, come towards us out of the haze. Modern airports have every facility for the convenience of airmen and their crafts. Similarly, we have every modern equipment and years of engraving experience to bring into concrete form the ideas of our hundreds of clients who publish school and college annuals.

Developing a theme for such issues which will thrill whenever seen, and bring back happy memories in years to come, calls for understanding, and a wide range of experience. You will find that sort of understanding and experience, as well as unsurpassed workmanship when you commit your publication to the

What will Elvira do after the Praeceptor is edited? She won't be able to look for the staff members then, especially Florence and Gordon, and stormy scenes will be avoided.

Gordon wouldn't like it if he knew that the Praeceptor staff was having their pictures in his section, so we didn't tell him. You aren't the only ones that will be surprised. But seeing him on the first page will put all in a pleasant frame of mind.

### The Calendar As She Should Be Writ

APRIL 12-18

"The Scotchman in our midst" talked the girls into putting on a step week. In justice to the girls it should be said that they really didn't have so much to say about it as we may infer, because Hank Booher judged the election. Hank Reugamer stampedes the cough drop market. Hub Nelson said he had a lovely time on the picnic and Bill Robinson hired four social secretaries.

APRIL 18-19

Long Lake, Minnesota goes into a frenzy as a generous section of M.S.T.C.'s most prized possessions appear on its shores. The boys demonstrated that as oarsmen they made good fish; and their condition at the end of the races prove the fact beyond any doubt. This does sound fishy but Soc, Micky, Tye, and the Modern Ped Pepys were the best fish and oarsmen both.

MOORHEAD - MINNESOTA

MAY 1

The last all-school party of the year closes with the girls playing a funeral dirge for Art Simson and Albert Gludt. No more will those famous heart breakers make the Freshman girl's hearts go pit-a-pat and the Sophomore girl swallow her gum. Boo hoo!

MAY 7-8

Rural practice teachers were given the once over by County superintendents and normal training instructors. "I am only too glad, ladies and gentlemen, to show you a thing or two about the fine art of learning the brats their lessons," said Elmer Budahl as he delivered a lusty clout on the ear of one of the older "farm problems."

MAY 15

The annual M.S.T.C. comic page made its appearance as the Feathered Headpiece climbed down from the MiSTic's helm and the Freshmen ascended the throne.

That worried look that Evelyn has acquired comes from the fear that the faculty might get their pictures in on time. We're going to let you in on a secret. Billy and Evelyn have something in common. All the good looking boys are in Billy's section and most of the beautiful damsels are in Evelyn's. Bill knows he has the advantage—hence his smile.

## Progressive Teachers

Appreciate the Value of a Bank

PROGRESSIVE TEACHERS appreciate the value of a banking connection. Why not take advantage of the complete facilities in this strong institution while you are a student in the State Teachers College? The financial services of this bank, strengthened by our affiliation with the Northwest Bancorporation, make an account with us a valuable asset wherever you may locate in the Northwest.

Combined Resources Over \$495,000,000

Of course the Feature Editor looms larger than his assistant or else how would he get any work done—by the assistant, of course. What with the MiSTiC, Dragon's Eye, Student teaching, Tennis, and one or two other minor matters how could Shirley expect him to write anything? But was it work or worry (or just an unusual attack of modesty) that diminished her like that?

Ed. Note—Not written by Socrates or by his assistant.

And here we have from left to right the most spontaneous orator at M.S.T.C.; the author of Advice to the Lovelorn (caught you at last, didn't we); and one representative of the Constant Lovers, incorporated.

Pat, Dorothy, and Dokken all heartily agree that there's a lot of fun in putting out a Praeceptor, but the latter will perhaps not see the fun in Sliv's famous rejoinder last fall: "What's the matter with you, Dokken? How do you expect to earn your letter if you can't keep those kids off the field any better than that?"

For once Dokken had no rebuttal speech.

Anybody would think to look at this picture that the men were in the majority on the choir trip. They weren't. Max just happened to be the only girl around. Where was Alice R.? After Keehne has gone to college this long he ought to know that "two is a company, three is a crowd." But maybe "my pal, Al" is an exception to the rule. No, that is not Weld Hall in the background—it is somewhere in Iowa.

What's the difference between an organization and an activity? Ask Bunny or Dick—they ought to know by now. Lillian will tell you there's real activity in Women's Athletics—if mere motion counts. If it doesn't she is not so sure, but she still thinks so. Elvira says Dick's section was slow motion, but numerous coeds say Dick isn't slow on the Exchange floor.

They may go around the world or on shorter trips as the one to Des Moines, but they always return to Moorhead, the home of the Dragons. (Johnny has learned how the girls flock to admire the man in uniform, but he wouldn't give Wabash an equal break.) However, Wabash has the worldly-wise look that is so far from a detriment to the college sheik.

# The New York Life Insurance Company's Self-completing Savings Plan

offers:

1. Absolute security for your savings.
2. Fair interest return.
3. Complete freedom from care or worry on your part.
4. Immediate marketability.

AND

5. The guarantee that should you become disabled and unable to earn money for a period of 4 months or over, YOUR SAVINGS WILL BE MADE FOR YOU, and you will receive an income monthly as long as you are so disabled.  
Many of the faculty members of the State Teachers College have adopted this plan and each year an increasingly large number of graduates decide upon this method of saving.
